The Royal Thai Embassy presents its compliments to all Tenderers and has the honour to inform the latter that the Embassy wishes to commission a research company to study investment opportunities for Thai companies in potential sectors of South Africa.

In this regard, your company is hereby invited to tender on said study project. The study should include the following:

1. Overview picture of South African market and its potential sectors
2. Thorough study on investment opportunities for Thai companies in large-scale agriculture, fishery and related industries, mining and minerals for future industries, especially electric vehicles, and real estate development.
3. Legal procedures for the investment in each sector
4. Insights on competitors, particularly foreign companies that invested in the abovementioned sectors
5. Sizable samples of interviews in the potential sectors
6. Recommendations for Thai investors in each sector

The tender closing date is on **24 May 2024**.

The Royal Thai Embassy avails itself of this opportunity to renew to all tenderer companies the assurances of its highest consideration.

All Tenderer Companies,
PRETORIA.
