## Opening Speech of the Small-Scale Chemistry Workshop at Nepal Academy of Science and Technology (NAST)

On 19 October 2022, Ambassador Vosita Vorasaph delivered a speech for the opening ceremony of the Small –Scale Chemistry Workshop at Technology Building, Nepal Academy of Science and Technology (NAST) in Lalitpur. The workshop was initiated by the Chemistry Society of Thailand under the Patronage of HRH Princess Chulabhorn Krom Phra Srisavangavadhana, with an aim to demonstrate a small scale chemistry laboratory technic to 100 Nepali science teachers over the country. The workshop would help promote science teaching and experiment in schools

by conducting a safe, save, and time-saving technic without having to rely on a full - scale chemistry laboratory. On this occasion, the Ambassador was delighted to see that Thailand and Nepal have strengthened their educational cooperation in science and technology which is an important area for the country's development.
