**AGREEMENT  
BETWEEN  
THE GOVERNMENT OF THE KINGDOM OF THAILAND  
AND  
THE GOVERNMENT OF THE UNITED ARAB EMIRATES  
ON THE PROMOTION AND PROTECTION OF INVESTMENTS**

The Government of the Kingdom of Thailand and the Government of the United Arab Emirates (hereinafter collectively referred to as the "Contracting Parties");

Desiring to create conditions favourable for fostering greater investment by investors of one Contracting Party in the territory of the other Contracting Party;

Recognizing that the encouragement and reciprocal protection of such investment, made in accordance with the laws and regulations of the host Contracting Party will be conducive to the stimulation of individual business initiatives and will increase prosperity in both countries;

Have agreed as follows:

**ARTICLE 1  
Definitions**

For the purposes of this Agreement:

1. The term "**investment**" means foreign direct investment made by investors of one Contracting Party in the territory of the other Contracting Party in accordance with the latter's laws and regulations, that includes every kind of asset, particularly, but not exclusively:
  - a) movable and immovable property as well as any other property rights such as mortgages, liens, pledges;
  - b) shares, stocks, bonds, debentures and any other similar form of participation in a company and other debts, loans and securities issued by an investor of a Contracting Party and returns retained for the purpose of reinvestment;
  - c) rights or claims to money or to any performance under contract having financial or economic value;
  - d) intellectual property rights, goodwill, technical processes, know-how, copyrights, trademarks, trade names and patents in accordance with the relevant laws of each Contracting Party and connected with the substantive business operation of a juridical person of that Party;
  - e) business concessions, licenses, authorizations, and permits conferred pursuant to laws and regulations or contracts. Concessions to search for, cultivate,

extract, or exploit natural resources shall not be covered by this Agreement in both Contracting Parties.

Any alteration in which assets are invested or reinvested does not affect their character as investment provided that the investor will get the legal permission from the competent authorities of the host Contracting Party and such alteration is consistent with the laws and regulations of the Contracting Party in whose territory the investments were made.

2. The term **“investor”** shall mean with regard to either Contracting Party:
  - a) natural persons who, according to the law of that Contracting Party, are considered to be its nationals; and
  - b) juridical persons which are constituted or otherwise duly organized under the law of that Contracting Party and have their seat, together with real economic activities, in the territory of that same Contracting Party, whether for profit or otherwise, and whether privately owned or governmentally-owned, including any incorporation, trust, partnership, joint venture, sole proprietorship, association or similar organization.
3. The term **“returns”** means the amounts yielded by an investment such as profits, interests, capital gains, dividends, royalties, management and technical fees.
4. The term **“territory”** shall mean as follows:
  - a) in respect of Thailand: the territory of the Kingdom of Thailand and includes any area adjacent to the territorial sea of the Kingdom of Thailand including the seabed and subsoil over which the Kingdom of Thailand may exercise jurisdiction by virtue of its legislation and in accordance with international law;
  - b) in respect of the United Arab Emirates: when used in geographical sense, the territory of the United Arab Emirates as well as the area outside its territorial water, airspace and submarine areas over which the United Arab Emirates exercises sovereign and jurisdictional rights in respect of any activity carried on its water, sea bed and subsoil in connection with the exploration for the natural resource by virtue of its law and international law.
5. The term **“freely usable currency”** shall mean currency that the International Monetary Fund (“IMF”) determines, from time to time, as freely usable currencies in accordance with the Articles of Agreement of the IMF and Amendments thereafter.

## **ARTICLE 2** **Scope of the Agreement**

This Agreement shall apply to all investments made by investors of either Contracting Party in the territory of the other Contracting Party, whether made before or after the coming into force of this Agreement, but shall not apply to any dispute concerning an investment that arises before the entry into force of this Agreement nor any claim that was settled before the entry into force of this Agreement.

## **ARTICLE 3** **Promotion of Investment**

1. Each Contracting Party shall encourage and create favourable conditions for investors of the other Contracting Party to make investments in its territory, and admit such investment in accordance with its laws and regulations.
2. The Contracting Parties shall encourage and facilitate the formation and establishment of appropriate legal entities by investors in order to establish, develop and execute investment projects in different economic sectors as may be permitted by the laws and regulations of the host Contracting Party.
3. Each Contracting Party shall, in its territory, endeavor to undertake the necessary measures as may be applicable for granting of appropriate facilities, incentives and other forms of encouragement for investments made by investors of the other Contracting Party in accordance to the laws and regulations of both countries.
4. The Contracting Parties shall within the framework of their national laws and regulations give sympathetic consideration to applications for the entry and sojourn of persons of either Contracting Party in connection with an investment.
5. Each Contracting Party shall endeavor, as far as possible, to make public all laws, regulations, policies and procedures that pertain to, or directly affect investments in its territory by investors of the other Contracting Party.

**ARTICLE 4**  
**Protection of Investment**

1. Investments by investors of either Contracting Party shall be accorded fair and equitable treatment and shall enjoy full protection and security in the territory of the other Contracting Party. Neither Contracting Party shall in any way impair by arbitrary or discriminatory measures, the management, maintenance, use, enjoyment, or disposal of investments.
2. Once investments of investors of the Contracting Party have been established, measures by the other Contracting Party relating to such investments shall not affect its rights and obligations as a member of the WTO.
3. Each Contracting Party shall maintain, as far as possible, a favourable environment for investments in its territory by investors of the other Contracting Party. Each Contracting Party shall in accordance with its applicable laws and regulations ensure to investors of the other Contracting Party, the right of access to its courts of justice, administrative tribunals and agencies, and all other bodies exercising adjudicatory authority.
4. Consistent with the provisions of this Agreement, neither Contracting Party should limit the benefits of protection of this Agreement.

**ARTICLE 5**  
**Treatment of Investment**

1. Each Contracting Party shall in its territory accord investors or investments and returns of the other Contracting Party, in like circumstances, as regards management, maintenance, use, enjoyment or disposal of their investments, treatment not less favourable than that which it accords to its own investors or investors of any third State, whichever is more favourable, and subject to its laws and regulations.
2. However, the provisions of this Article shall not be construed so as to oblige one Contracting Party to extend to investors of the other Contracting Party the benefits of any treatment, preference or privilege resulting from:
  - a) any customs union, economic union, free trade area, monetary union or other form of regional economic arrangement or other similar international agreement, to which either of the Contracting Parties, is or may become a party; or
  - b) any international or regional agreement or any other domestic legislation relating wholly or mainly to taxation.

**ARTICLE 6**  
**Compensation for Damage or Loss**

1. When investments made by investors of either Contracting Party suffer losses owing to war or other armed conflict, revolution, a state of national emergency, revolt, insurrection or riot or other similar events in the territory of the other Contracting Party, they shall be accorded by the latter Contracting Party, treatment, as regards restitution, indemnification, compensation or other settlement, not less favourable than that which the latter Contracting Party accords to its own investors or to investors of any third Party whichever is the most favourable.
2. Without prejudice to paragraph 1 of this Article, investors of one Contracting Party who, in any of the events referred to in that paragraph, suffer damage or loss in the territory of the other Contracting Party resulting from:
  - a) requisition of their investment or property by the latter's forces or authorities; or
  - b) destruction of their investment or property by the latter's forces or authorities which was not caused in combat action or was not required by the necessity of the situation,

shall be accorded prompt, effective and adequate compensation for the damage or loss sustained during the period of requisition or as a result of the destruction of the property. Resulting payments shall be in a freely usable currency and be freely transferable without delay.

**ARTICLE 7**  
**Expropriation**

1. Investments made by investors of one Contracting Party in the territory of the other Contracting Party shall not be nationalized, expropriated, or subject to direct or indirect measures having effect equivalent to nationalization, expropriation or hereinafter collectively referred to as "expropriation") by the other Contracting Party except for a public purpose related to the internal needs of that Contracting Party and against: prompt, adequate and effective compensation and on condition that such measures are

taken on a non-discriminatory basis and in accordance with the procedures established under law.

2. Such compensation shall be equivalent to the fair market value of the expropriated investments at the time when the expropriation was publicly announced or when the expropriation occurred, whichever is the earlier. The fair market value shall not reflect any change in market value occurring because the expropriation had become publicly known earlier.
3. The compensation shall be fully realizable and shall be paid without any restriction or delay. In the event of delay, it shall carry an appropriate interest, in accordance with the laws and regulations of the Contracting Party making the expropriation from the date the payment was due until the date of actual payment. The payment of such compensation shall be freely transferable in freely usable currency.
4. Without prejudice to the rights under Article 9 (Subrogation) of this Agreement, the investor affected shall have a right, under the laws of the Contracting Party making the expropriation, to review, by a judicial or other independent authority of that Party, of his or its case and of the valuation of his or its investment in accordance with the principles set out in this Article. The Contracting Party making the expropriation shall make every endeavor to ensure that such review is carried out promptly.
5. Where a Contracting Party expropriates the assets of a company which is incorporated or constituted under its applicable law in force in any part of its own territory, and in which investors of the other Contracting Party own shares, stocks, debentures or other rights of interest, it shall ensure that the provisions of this Article are applied to the extent necessary to ensure fair and equitable compensation in respect of their investment to such investors of the other Contracting Party who are owners of such rights or interest.

#### ARTICLE 8

##### Transfers of Payments Related to Investments

1. Each Contracting Party shall permit investors of the other Contracting Party, upon compliance with the relevant laws and regulations of the host Contracting Party, the transfer of payments in connection with an investment into and out of its territory, including the transfer of:
  - a) the initial capital and any additional capital for the maintenance, management and development of the investment;

  - h) payments referred to in Article 9; and
  - i) payments arising out of the settlement of disputes.

R. C.

In case of such delay in effecting the required transfers, the investor affected shall be entitled to receive interest for the period of such delay.
3. Transfers shall be made at the spot market rate of exchange prevailing on the date of transfer for the currency to be transferred. In the absence of a market for foreign exchange, the rate to be applied will be the most recent rate applied to inward investments or the exchange rate determined in accordance with the regulations of the IMF.
4. Notwithstanding paragraph 1 - 3, a Contracting Party may delay temporarily a transfer, through the necessary, equitable, on a non-discriminatory and good faith application of its laws and regulations relating to:
  - a) bankruptcy, insolvency or the protection of the rights of creditors;
  - b) issuing, trading or dealing in securities, futures, options or derivatives;
  - c) criminal or penal offences;
  - d) social security, public retirement or compulsory savings scheme;
  - e) ensuring compliance with the judgments in judicial or administrative proceedings

For the purpose of this paragraph, it is understood that the delay or prevention of transfer shall be carried under due process of law and that investors of each Contracting Party shall be obliged by the judgment in judicial proceeding with due regard to other Article of this Agreement.

5. In case of serious instability of its currency, a Contracting Party may restrict temporary transfers provided that such temporary restrictions are imposed in compliance with the rights and obligations of the Parties as members of the IMF under the Articles of Agreement of the IMF, whereas the exercise of such controls are necessary to regulate international capital movements. However, no Contracting Party may exercise these controls in a manner which will restrict payments and transfers for current international transactions. No Contracting Party shall impose these restrictions without the approval of the IMF.

Such restrictions shall be on an equitable, non-discriminatory and good faith basis and this Article shall not be used as a means to avoid the Contracting Party's obligations under this Agreement.

#### **ARTICLE 9 SUBROGATION**

1. If a Contracting Party, its designated agency or a company or other enterprise constituted or incorporated in that Contracting Party other than an investor (the "Indemnifying Party") makes a payment under an indemnity or guarantee against non-commercial risk it has assumed in respect of an investment in the territory of the other Contracting Party (the host Contracting Party), or otherwise acquires part or all of the rights and claims of such an investment as a result of the complete or partial default of the investor, the host Contracting Party shall recognise: 

- a) the assignment to the Indemnifying Party by law or by legal transaction or part or all of the rights and claims resulting from such an investment;
  - b) that the Indemnifying Party is entitled to exercise such rights and claims and shall assume all obligations related to the investment by virtue of subrogation, to the same extent as its predecessor in title or the original investor; and
  - c) the subrogated rights or claims shall not exceed the original rights or claims shall not exceed the original rights or claims of such investor.
2. The Indemnifying Party shall be entitled in all circumstances to:
- a) the same treatment in respect of the rights and claims acquired and the obligations assumed by it by virtue of the assignment referred to in paragraph 1 above; and
  - b) any payments received in pursuance of those rights and claims;
- as the original investor was entitled to receive by virtue of this Agreement in respect of the investment concerned.
3. Notwithstanding the provisions of paragraph 1 of this Article, subrogation shall take place in either of the Contracting Party only after the approval of the Contracting Party, if such an approval is required.

#### ARTICLE 10

1. Disputes arising between a Contracting Party and an investor of the other Contracting Party in respect of an investment under this Agreement shall, as far as possible, be settled amicably through negotiations between the parties to the dispute.
2. If the dispute cannot be settled amicably within the period of three months, the parties to the dispute should pursue the following procedures:

  4. All arbitral awards shall be final and binding on the parties to the dispute and shall be enforced in accordance with the laws of the Contracting State in which the enforcement is sought.

1. The Contracting Parties shall, as far as possible, settle any dispute concerning the interpretation or application or execution of this Agreement through consultations or other diplomatic channels.

If the dispute has not been settled within six months following the date on which such consultations or other diplomatic channels were requested by either Contracting Party and unless the Contracting Parties otherwise agree in writing, either Contracting Party may, by written notice to the other Contracting Party, submit the dispute to an ad hoc arbitral tribunal in accordance with the following provisions of this Article.
3. The arbitral tribunal shall be constituted as follows: each Contracting Party shall appoint one member, and these two members shall agree upon a national of a third state with whom both the Contracting Parties have diplomatic relations, as Chairman within four months, from the date on which either Contracting Party has informed the other Contracting Party that it intends to submit the dispute to an arbitral tribunal.
4. Each Contracting Party shall bear the costs of the member of the arbitral tribunal appointed by the Contracting Party, as well as the costs of its representation in the arbitration proceedings. The expenses of the Chairman as well as any other costs of the arbitration proceedings shall be borne in equal parts by the two Contracting Parties. However, the arbitral tribunal may, at its discretion, direct that a higher proportion or all of such costs be paid by one of the Contracting Parties. In all other respects, the arbitral tribunal shall determine its own procedures.
