1.1 On 1 January 2025 at 10.00 hrs. (Myanmar local time), the Embassy will open the reservation system for E-visa payment. After applying E-Visa from the <https://www.thaievisa.go.th/>, a visa applicant or an assigned person has to make a reservation for the payment at [www.thaiconsularyangon.com/evisapay](http://www.thaiconsularyangon.com/evisapay).

1.2 A visa applicant or an assigned person is able to make reservation for **only one Request No.** per day, with maximum of 10 applicants per one Request No. (The request number will be in the Payment Info Summary generated by the e-visa system together with a QR code).

1.3 After making the reservation, a visa applicant or an assigned person is advised to print out or take a screenshot of an e-visa payment reservation confirmation page together with the Payment Info Summary with QR code to present to Embassy staff on an appointment date. The Embassy reserves the right to deny the visa applicants and assigned persons whom details in the reservation information do not match with the original documents from making the payment.

1.4 The Visa Section accepts only USD banknotes in perfect conditions. Please note that the visa fee is non-refundable, regardless of whether the visa is approved, cancelled or rejected.

1.5 After the payment is successfully made, a receipt will be sent to an E-visa applicant's emails or an E-visa account within approximately 15 minutes. The Visa Section will no longer issue a receipt at the counter. The visa processing time will take up to 15 days after making the payment.

**2. Non-Immigration L-A visa**

2.1 Only MOU worker companies are allowed to apply the Non-Immigration L-A visa on behalf of MOU workers at <https://www.thaievisa.go.th/>. The system has already generated and sent usernames and passwords to the MOU companies together with the manual.
