

Application Guideline for Thailand Scholarships (Year 2017)

General description

The Office of the Higher Education Commission (OHEC), Ministry of Education, Thailand, in cooperation with Thai universities which are members of the ASEA.UNINET invites nationals of Cambodia, Laos, and Myanmar to apply for the Thailand Scholarships for academic year 2017. Up to 22 scholarships will be granted to students and faculty members of higher education institutions or general public in Cambodia, Laos, and Myanmar to further their masters degree or doctoral degree study in Thailand in international programmes offered by Thai higher education institutions which are members of the ASEA.UNINET. Tuition fees, living allowances, travel, textbooks, health and accident insurance, and accommodation expenses will be shouldered by Thai higher education institutions and OHEC.

- 2 letters of recommendation written by faculty members of the home university
(The letter should have an institution emblem or institution's official stamped on it.)
- Medical certificate showing that the applicant is healthy to study abroad
- English translation of birth certificate or national identification card or certified copy of passport showing date of birth

Kindly be assured that 2 copies of the documents listed above are made and attached.

THAILAND SCHOLARSHIPS (YEAR 2017)

APPLICATION FORM

Part A: Personal data

Title: Mr. Ms. Mrs.

First name:

Last name:

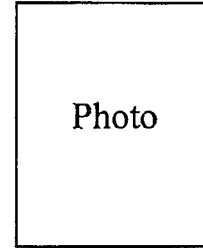

Date of birth:

Place of birth:

Age: Passport no:

Country: Nationality:

Employment: Employed Self-employed Part-time employment Unemployed
 Student Other, please specify

Part B: Contact information

Permanent personal address in your home country

Street name and number:

City: Postal code:

Country:

Phone (with international code):

Mobile phone (with international code):

E-mail address:

Permanent address for all correspondence, if different from above

Street name and number:

City: Postal code:

Country:

Part C: Language skills

Specify languages in the first column. Describe your language skills under the following columns with the marks: 0 = "zero knowledge", 1 = "basic", 2 = "average", 3 = "advanced". Include your mother tongue (if other than English).

	Mother Tongue	Reading	Writing	Speaking	Listening
English (if not mother tongue)					

Specify your English language test name (IELTS, TOEFL, TOEIC or equivalent), score and date. Please also attach a formal proof within your application.

.....

Part D: Education

Provide full records of your education to date, including high school, university degree(s) at or below bachelor level, and any other higher education title (specialisation, master's degree, Ph.D., etc.). Also specify any post-graduate or training programmes you have undertaken during the last three years, even if they have not led you to a degree yet. Please add on a separate file a list of the main courses you attended after high school degree.

Last qualifications completed or certified

From (academic year)	To (academic year)	Degree obtained	Date of award	Name and full address of educational institution (specify country)	Specialty or subject	GPA or marks obtained out of max (e.g. 85/100)

Qualifications not yet completed or certified

From <i>(academic year)</i>	To <i>(academic year)</i>	Degree obtained	Date of award	Name and full address of educational institution <i>(specify country)</i>	Specialty or subject	GPA or marks obtained out of max <i>(e.g. 85/100)</i>

Additional education, training in industry or research centers, publications

.....

.....

.....

Please indicate the names and full contact addresses of the 2 academic mentors (including telephone and email addresses) who wrote the 2 recommendation letters that you enclose in your application.

<i>Referee #1</i> Name: Address: Telephone (with international code): Email:	<i>Referee #2</i> Name: Address: Telephone (with international code): Email:
--	--

Part E: Practical or professional work experience

Describe, if any, your employment and/or professional experience during or after higher education. Please specify the date, position, main activities, employer address, sector, and specialty.

From	To	Position	Main activities or responsibilities	Name and full address of employer <i>(specify country)</i>	Type of business of sector	Specialty or subject <i>(if relevant)</i>

Additional experience, e.g. teaching experience, research experience, professional membership, associations, participation in conferences and workshops

.....

.....

.....

Part F: Statement of purpose

State your aspirations, interests, academic experience and talents. The statement should not exceed a half page of A4.

Part G: Motivation

Explain why you are applying to Thailand Scholarships. Discuss your motivations to study in Thailand, your professional interests and your career goals and expectations. The motivation should not exceed one page of A4.

Part H: Course options

Please indicate your preference for Thai higher education institutions and fields of study in order of prioritisation.

Level of study: Master's degree Doctoral degree

Preferred Choice	Name of Institution	Field of Study
First choice		
Second choice		

Important

I declare and certify that the information provided in this application is accurate to the best of my knowledge and agree to inform immediately the committees about any changes and amendments. Furthermore I agree, if registering as a student, to respect the curriculum regulations of the host university. I accept responsibility for the completeness of my application.

I hereby authorize the committees to treat the data provided to the purpose of the student selection for the Thailand Scholarships.

Finally I understand that if I am admitted to the master's or doctoral program and fail to register in person at the entrance university before the dates stipulated in the admission letters, I am no longer entitled to my place in the programme and forfeit my place.
