THAILAND
HALAL
ASSEMBLY 2017

The Central Islamic Council of Thailand (CICOT) in collaboration with the Halal Standard Institute of Thailand (HSIT) and the Halal Science Center Chulalongkorn University (HSC-CU) will host the 4th Thailand Halal Assembly 2017 from 30th November to 3rd December 2017 at the Bangkok International Trade and Exhibition Center (BITEC) in Bangkok, Thailand. Since its inception in December 2014 up to now, Thailand Halal Assembly (THA) has been getting grand support from the Prime Minister of Thailand, General Prayut Chan-o-cha and the public agencies concerned with Halal development.

By the Royal Act Concern Islamic Organization Administration B.E.2540 (A.D. 1997), CICOT is the sole Halal Accreditation Body (HAB) of the country to oversee all forty Halal Certification Bodies (HCBs) with the technical support from HSIT and forensic laboratory analysis from HSC-CU. With the guiding principle of "Shariah Compliance Certifies and Halal Science Supports", the genuine Halal products and services of Thailand at around nearly 200,000 items outreach worldwide. The strong support of public-private partnership in developing Halal economy under one single Halal mark, the branding of Halal products and services from Thailand is then called "Thailand Diamond Halal".

Under the main theme "HALAL WISDOM: CONVERGENCE OF SCIENCE, TECHNOLOGY, AND ISLAMIC ARTS", all key events and showcases will be interconnected with the strong intent to express the advancement of the Halal economy in line with the National Strategy of Thailand or THAILAND 4.0. In sum, THA 2017 event will cover the following components: (1) The 10th Halal Science, Industry, and Business International Conference (10th HASIB) (2) The 4th Halal Standard International Convention (3) The Halal Wisdom Exhibition (4) Thailand International Halal EXPO 2017 (THIX) In addition, an exclusive training workshop for both Thai and International companies will be conducting on such topics as Halal marketing workshops as well as Halal business matching.

GENERAL INFORMATION

1. Introduction

The Central Islamic Council of Thailand (CICOT) in collaboration with the Halal Standard Institute of Thailand (HSIT) and the Halal Science Center Chulalongkorn University (HSC-CU) will host the 4th Thailand Halal Assembly 2017 (THA 2017) during 30 November to 3 December 2017 at the Bangkok International Trade and Exhibition Center (BITEC) in Bangkok, Thailand. With the main theme entitled "HALAL WISDOM: CONVERGENCE OF SCIENCE, TECHNOLOGY, AND ISLAMIC ARTS", all key components in this event will be interconnected with core values of "Shariah compliance certifies and Halal Science supports". Hence, the major objective of THA 2017 is to show how the cornerstone of Halal Wisdom has been creating the development of Halal science, technology and Islamic arts for quality improvement of Halal products of Thailand throughout the past two decades. Additionally, with the positive support from the Thai Government, as specified in the national strategy to transform Thailand into a value-based and innovation economy or Thailand 4.0, the Halal economy will be moving forward from production-based to service-based economy.
