

**Course Detail**  
**Master of Public Health**

- 1. Course Title:** Master of Public Health
- 2. Master Degree:** Master of Public Health: MPH
- 3. Academic Institution:** College of Public Health Sciences,  
Chulalongkorn University
- 4. Duration:** 1 Year, 1<sup>st</sup> August 2025 – July 2026 /  
2<sup>nd</sup> December 2025 – November 2026

**5. Background and Rational:**

The Master of Public Health program focuses on the development of public health personnel. And related fields to have knowledge and ability to develop the health system of the population in society, both national and international Have systematic problem solving skills Focus on specialization Which can be applied in conjunction with modern academics Both administrative And research for development Along with co-operation between personnel in various fields Related to public health Leading to problem solving National and international public health Both in the prevention of disease And sustainable promotion of good health of the people By offering specialties in Public Health and Management, Community and Reproductive Health, Urban and Global Health, Environmental and Occupational Health, the trimester-based program provides a variety of types and duration of study to respond to students' needs as follow:

**Health Policy and Management Program** is committed to training and inspiring the next generation of health care leaders. Our students and faculty are passionate about making the world a better place by improving health and health care. We work on compelling and important problems, from making the delivery of care safer and more efficient, to expanding health insurance coverage and eliminating disparities, to designing and improving the performance of entire health systems

**Community Assessment and Reproductive Health** is designed to provide an understanding of community health and reproductive health and population issues as well as the knowledge necessary for understanding community health needs and reproductive health interventions. The program will also explore and examine community, national and global challenges relating to the social, cultural and economic context influencing community health and

reproductive health.

**Community Assessment** consists of Basic Concepts of Community, Community Structure, How to Approach Community, Community Mapping, Social Mapping, Social and Cultural Characteristic of the Community , Community Participatory Appraisal, Community Assessment, and Prioritization of Community Problems.

**The Reproductive Health** is composed of Introduction and Enhancing Access to Reproductive Health, Family Planning, Maternal and Child Health, Adolescent Health, Unwanted Pregnancy and Abortion, Preventing HIV/AIDS in Young People, Cancer of Reproductive system, and Aging Care.

**Urban and Global Health** puts an effort to gear students, both M.P.H and Ph.D, toward a plethora of urban and global health topics, ranging from economics, politics, social, cultural, and environmental aspects. Specializing in Urban and Global Health key courses will enable the students to become continuing life-long self-learners when coping with public health issues in one's areas of responsibility in an integrated manner.

**Environmental and Occupational Health** focuses on environmental issues and management that improve public health and minimize adverse human impacts. These impacts of exposure to environmental pollution are the number one public policy issue in the Kingdom of Thailand and several countries. The public, private, and academic sectors are all striving to improve the ability to understand our environments and to protect them. The integrated course consists of Environmental and Occupational Health, Environmental Epidemiology, Exposure Assessment, and Human Impact Assessment. Consequently, the primary goal of the program is to train qualified professionals with expertise in environmental and occupational health. This includes the hazard identification, the recognition of at-risk populations and the prevention of exposure. Many kinds of toxic agents are encountered both in the community and in the workplace, but there are significant differences in the circumstances and magnitude of exposure and, therefore, on the strategies used for controlling exposure and preventing disease. At the CPHS, Master and Doctoral research for the Public Health degree is multidisciplinary and broad, ranging in scope from local to international. Our faculty members are active as advisors on Public Health issues nationally and internationally.

**The Health Behavior** Branch is designed for research careers in academic, non-profit, and governmental settings and for leadership roles. Students will learn the importance of health behavior contributed to current public health problems, ranges of factors that influence behaviors, nutrition, physical activity, obesity, alcohol drinking, smoking, addictive substance abuse. Concept and theory related to health behavior and risk factors are included. The students should develop research on health behavior into populations with whom they have worked or will work in the future. They may also conduct research and intervention on alcohol, substance abuse and HIV/AIDS population including developing laboratory techniques in detecting alcohol and substance abuse in body fluid.

**6. Objectives:**

6.1 To produce graduates with knowledge and ability to search, analyze, solve problems, as well as have research capabilities. And empirical knowledge and theory in the development of public health in 5 disciplines to meet the needs of manpower in public health In the era of stepping into the one health And change of the world society And health determinants As well as the medical system And public health adjustments from both the public and private sectors

6.2 To produce research and create new knowledge in public health For planning in Management level, solving problems, developing organizations and developing public health work of the country and region Effectively

**7. Course Synopsis and Methodology:**

**7.1 Curriculum Plan**

Course	Plan A1 (None Coursework)	Plan A2 (Coursework)
Core Courses of public health	0	15
Major Compulsory Courses	0	6
Elective Courses	0	3
Thesis	36	12
<b>Total (Credits)</b>	<b>36</b>	<b>36</b>

The Non-Coursework Program is exclusively designed for exceptional applicants who possess substantial experience and have a research proposal ready. Applicants must achieve an interview score of over 85%, demonstrating a significant potential to initiate research immediately upon commencement in the upcoming semester.

## 7.2 Study plan

5300529 Globalization and Contemporary Public Health	3 Credits
<b>Environmental Health and Occupational Health</b>	
5300538 Introduction to Environmental Health	3 Credits
5300541 Environmental and Health Risk Assessment	3 Credit
<b>Health Behaviors</b>	
5300544 Health Behavior	3 Credits
5300545 Social and Cultural Determinants of Health	3 Credits
<b>C. Electives Course (3 Credits)</b>	
5300503 Policy and Strategic Planning	3 Credits
5300504 Implementation and Management	3 Credits
5300512 Health Development and Change	3 Credits
5300513 Health Financing	3 Credits
5300514 Resource Development	3 Credits
5300515 Seminar in Health Systems Development	3 Credits
5300521 Fundamental Skills in Sciences and Research	3 Credits
5300522 Fundamental Skills in Planning and Management	3 Credits
5300523 Health Services Organization and Management	3 Credits
5300524 Health Insurance System Management	3 Credits
5300525 Community Health Development	3 Credits

5300526 Reproductive Health	3 Credits
5300527 Community Assessment	3 Credits
5300528 Introduction to Urban and Global Health	3 Credits
5300529 Globalization and Contemporary Public Health	3 Credits
5300530 Global Health Impacts on Drug Use 3 Credits	3 Credits
5300534 Behavioral Science Theories as a Basis for Health Promotion	3 Credits
5300536 Urban Health	3 Credits
5300537 Travel Medicine and Public Health	3 Credits
5300538 Introduction to Environmental Health	3 Credits
5300539 Environmental and Occupational Health Epidemiology	3 Credits
5300540 Law and Management of Environmental and Occupational Health	3 Credits
5300541 Environmental and Health Risk Assessment	3 Credits
5300542 English for Public Health	3 Credits
5300543 Sexual Behavior and Socio-cultural Issues in Sexuality and Reproductive Health	3 Credits
5300544 Health Behavior	3 Credits
5300545 Social and Cultural Determinants of Health	3 Credits
5300546 Addictive Behavior	3 Credits
5300547 Health and Social Impact on Addiction	3 Credits
5300548 Community Based and Individual Intervention	3 Credits
5300549 Prevention, Intervention and Evaluation of Health Behavior Module	4 Credits
5300550 Directed Studies	3 Credits

5300570 Field Study	
5300571 Business Administration in Health	
5300670 Practical Study I	
5300572 Medical and Public Health Communication	
5300573 Transnationalism and Public Health	

### 8. Graduation Conditions:

- Pass Standard of English (CUTEP 45 / IELTS 4.5 / TOEFL 450)
- Pass Proposal & Thesis Examination
- 1 international Publication or Proceeding
- Submitted Full paper & CU I Thesis to Graduate School
- Completed Register of Graduation

### 9. Applicant Qualifications

An interested person with good command of English and bachelor degree in any fields

### 10. Document Required

- Application form
- Transcript and / or Certificate\*
- Recommendation Letter
- English Test
  - **CU-TEP 45 [https://atc.chula.ac.th/Main/en/home\\_th-english/](https://atc.chula.ac.th/Main/en/home_th-english/)**
  - **IELTS 4.5**
  - **TOEFL 450**
  - **Certify document Graduated from University where certify by OCSC or Study in English Official Language Country**
- **Download Application form of Chula**  
**<https://www.cphs.chula.ac.th/index.php/admissions-process>**
- **Statement of purpose and area(s) of interest (1 page)**
- **A copy of your identification document (Passport).**

Remark \*The Academic transcript & Certificate must stamp official graduation before Aug 2024

## 1 Online Interview

attend online interview by admission schedule below  
CPHS will consider scholarships only  
applicant who pass the interview (1st Round)

Step 1: Join the CPHS ADMISSION LINE Group Community  
Actively participate in this crucial student communication hub to stay informed and connected throughout your academic journey.

Step 2: Keep an Eye on Your Email Inbox  
Regularly check your university email for a message containing specific details about your upcoming interview, including the date and time.

Step 3: Set Up for the Zoom Teleconference Interview  
When you receive the interview details, log in to the Zoom Teleconference system. Optimize your system for a polished and effective online presence.

Step 4: Efficient Time Management during the Interview  
M.P.H. & M.Sc. Interviews (15 Minutes):

- Utilize the entire 15 minutes to introduce yourself and respond to admission-related questions.
- Ph.D. & Ph.D.Sc. Interviews (20 Minutes):
- Follow a similar structure with the first 15 minutes focused on introduction and concept presentation.
- Use the remaining 5 minutes to handle admission-specific inquiries.

The interview system has an automatic cutoff feature to ensure that interviews stay within the set time limit, emphasizing the importance of providing concise and impactful responses

Submit Application Document within  
1st Round 2nd Round  
March 31,2025 | April 30,2025

Got Acceptance Letter

Do Request Educational Visa Cooperative Letter by submitted Document at :daonapa.m@chula.ac.th  
1) G01 General Request Form 2)Acceptance Letter  
3) Passport  
valid for at least 6 months prior to the expiration date  
4) Address & Detail Full name of Thai Embassy in Yours country

After receiving the letter via email, please contact the Thai Embassy in your country or the Immigration Office with the Acceptance Letter and Educational Visa Cooperative Letter for the Student Visa.

## 1 Self Fund

Follow by Registration schedule below

## 2 On Scholarship Waiting List

After CPHS announced the successful applicants, Only eligible students will receive an invitation email offering them the opportunity to apply by matching their qualifications, including their English score, grading, publication experiences, and preference for headquarters, for nomination.

Student can apply by uploading the necessary documents to the Google Drive system that CPHS has arranged

According to the new policy implemented by Chulalongkorn University, CPHS may offer scholarships ranging from 30% to 50% of over all fee to a limited number of seats. It is important to note that meeting the criteria does not guarantee a 100% scholarship offer. The success rate for obtaining a scholarship is approximately 20-30%. It is worth mentioning that, similar to other universities in Thailand, CPHS adheres to an austerity policy, which means that full financial support is not guaranteed until the policy is revised. Additionally, it's important to be aware that scholarship announcements are often made late, so students need to make decisions to secure their seats themselves, which must involve attending the orientation program.

First Registration & Course Enrollment  
by online @ www.reg.chula.ac.th  
July 3,2025

Booking Accommodation & Prepare Flight to Thailand  
by arrive to BKK 2 week before orientation

## 5300504 IMPLEMENTATION AND MANAGEMENT

### Course Description:

Principles, methodologies and techniques for decision making and creative problem solving; principles of policy-making; legal and ethical issues pertaining to public health policy and practice; health care financing; information requirements for policymaking; strategic planning principles, methods, and techniques; strategic planning practice and threats.

## 5300527 COMMUNITY ASSESSMENT

### Course Description:

How to identify community's strengths, weaknesses, needs, and assets?  
 "Community Assessment" is an answer, this course introduces basic concept of community, community structure, how to approach community, community mapping, social mapping, social and cultural of the community, community participatory appraisal, community assessment prioritization of community problems and writing community report.

### Course Highlight:

Community visit and guest speaker

Sexual Behavior and Socio-Cultural Issues in Human Sexuality and Reproductive Health

Dr.Montakarn Chuemchit, Dr.Khemika Yamarat, Dr.Peter Xenos, Dr.Pramon Viwattanakulvanid

**5300543 SEXUAL BEHAVIOR AND SOCIO-CULTURAL ISSUES IN SEXUALITY AND REPRODUCTIVE HEALTH**

**Course Description:**

Though biology plays an important role, the way in which behavior and sexuality are expressed and acted upon is highly influenced by social and culture. This course introduces important socio-cultural factors influencing sexual and reproductive behaviours such as norms, values, traditional health beliefs, communication, gender-related issues, sexual diversity, sexual harassment and abuse, sex/gender discrimination, ethics and law related to sexuality and reproductive health.

**Course Highlight:**

Learning from discussions, short movies, film, guest speaker and field visit

HEALTH BEHAVIOR

Branch Selection Choice

Assoc. Prof. Chitlada Areesantichai, Ph.D., Asst. Prof. Usaneyya Perngporn, Ph.D.

**5300544 HEALTH BEHAVIOR**

**Course Description:**

Problems of health behaviors and risk behaviors, range of factors that influence health behaviors, nutrition, physical activity, obesity, alcohol drinking, smoking, addictive substance use, concept and theory related health behavior and risk factors, communication skill, behavior change and self regulation.

## Live Lecture Broadcast (Thai time GMT -7) – Study From Everywhere

The screenshot shows a Microsoft Teams meeting in progress. The main content is a live broadcast of a statistics lecture. The lecture content is displayed in a spreadsheet format, showing the binomial distribution function and its parameters.

	FALSE	TRUE	
$X = \# + ve$	$Pr(X)$	$Pr(X < x)$	
$\Phi(\pi) = .05$	$= BINOM.DIST(B3, 10)$		Mean of $X = n * \Phi$
$n = 10$	1		Variance of $X = n * \Phi * (1 - \Phi)$
	2		SD of X
	3		Median
	4		Mode
	5		
	6		
	7		
	8		
	9		
	10		

The spreadsheet also shows the following values:

- Mean of  $X = n * \Phi$ : 0.5000
- Variance of  $X = n * \Phi * (1 - \Phi)$ : 0.4750
- SD of X: 0.6892
- Median: 0
- Mode: 0

The meeting interface shows a grid of participants on the right side, indicating a live broadcast session.
