## DIPLOMA COURSE IN DERMATOLOGY AND DERMATOSURGERY

IOD DIPLOMA COURSE IN DERMATOLOGY AND DERMATOSURGERY

**START AUGUST 2026**

**Duration:** one academic year  
(2 semesters)

### EDUCATIONAL PROGRAM

**CURRICULUM:** THE CURRICULUM OFFERS A COMPREHENSIVE BLEND OF ACADEMIC AND PRACTICAL TRAINING, COVERING THE FOLLOWING CORE COMPONENTS:

- ✓ Basic Sciences
- ✓ Clinical Dermatology
- ✓ Laboratory Techniques and Practices
- ✓ Dermatosurgery
- ✓ Aesthetic Dermatology

### APPLICANT'S QUALIFICATIONS

- ✓ Doctor of Medicine (MD) who graduated from local or oversea academic medical school
- ✓ Obtain medical professional license for 1 year or over
- ✓ Get English proficiency score report, TOEFL or IELTS [ English>5.5 (paper>500), Internet>61] if have.
- ✓ Foreign medical practitioner must have 1 year of working experience

### REGISTER

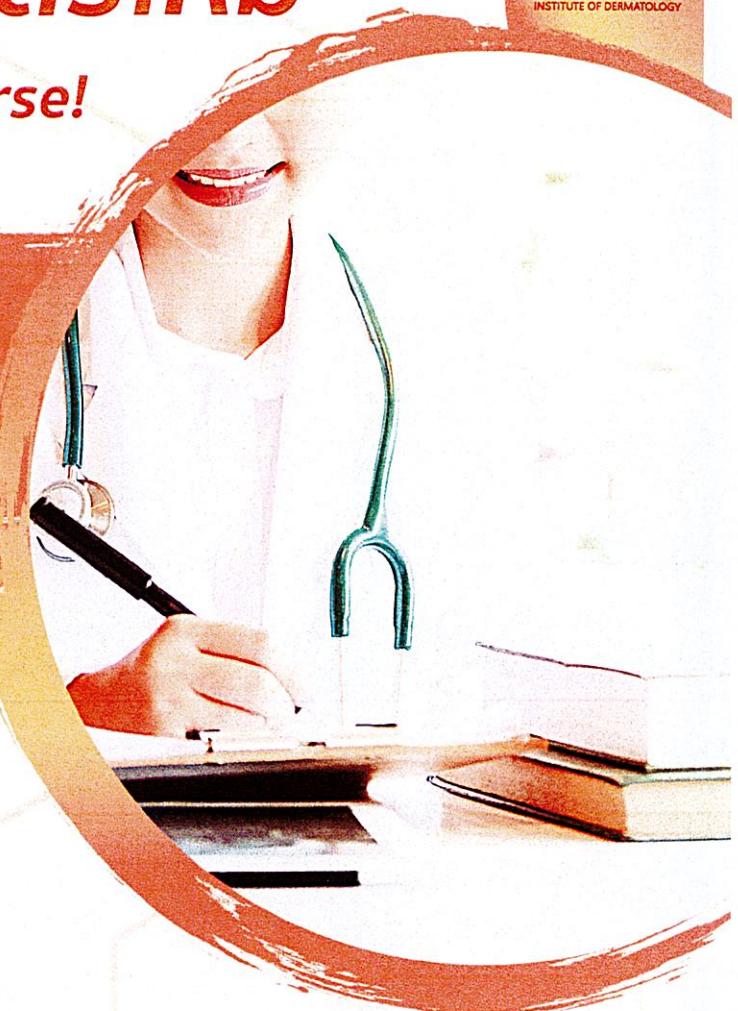

Monday - Friday  
9:00 a.m. - 3:00 p.m.

### FOR MORE INFORMATION

✓ Technology Training Office,  
Institute of Dermatology  
456 Rajvithi Road, Phayathaivi district,  
Bangkok 10400, Thailand

✓ Tel: +669 2354-5222 Ext: 1905

✓ Email: iodinternationalprogram@gmail.com

## IOD Diploma Course in Dermatology and Dermatosurgery

Department of Medical Services, Ministry of Public Health, Bangkok, Thailand

**Address :** Institute of Dermatology, 456 Ratchawithi Rd, Thung Phaya Thai, Ratchathewi, Bangkok 10400

**Email :** iodinternationalprogram@gmail.com **Tel:** +66 2354-5222 ext.1905

### Admission Information

- October 1, 2025 – February 28, 2026

### Interview

- March 2026

### Application Supported Documents

- 1) Application form
- 2) 1 Photos, size 2 inches
- 3) Copy of Doctor of Medicine certificate
- 4) Official Transcript
- 5) Copy of Identification Card
- 6) Copy of passport (foreigner)
- 7) ใบพิมพ์บุนทัษะ (for Thai only)
- 8) Medical certificate (use our specific form, signed & stamped by the diagnosed physician in the hospital)
- 9) Copy of Medical License certificate
- 10) CV
- 11) Medical practitioner from government sector must provide education/training/leave approval letter 1 Letter of recommendation by supervisor or applicant's previous academics professor

### Venue to get application & submission

- Monday – Friday, 08:30 am. – 4:30 pm., Technology Training Division, Institute of Dermatology, 456 Rajvithi Road, Thung Phaya Thai sub-district, Rajthewi district, Bangkok 10400, Thailand.
- Download application form at: [www.iod.go.th](http://www.iod.go.th)

### Applicant's qualifications

- Doctor of Medicine (MD) who graduated from local or oversea academic medical school with GPA over 2.5
- Obtain medical professional license for 1 year or over
- Get English proficiency score report, TOEFL or IELTS [ English>5.5 (paper>500), Internet> 61] if have.
- Foreign medical practitioner must have 1 year of working experience

### Educational program

- Curriculum: The curriculum offers a comprehensive blend of academic and practical training, covering the following core components:
  - Basic Medical Sciences
  - Clinical Dermatology
  - Laboratory Techniques and Practices
  - Dermatosurgery
  - Aesthetic Dermatology
- Study time: Mon – Fri, 09:00 am. - 3:00 pm.,

Duration: one year academic (2 semesters) with one week holiday

### Registration

- Technology Training office, 19<sup>th</sup> Floor,

### Opening of the course:

- August 3, 2026
- Semester 1: August 3 – December 18, 2026 (Examination: November 30 to December 11, 2026)
- Semester 2: January 6 to June 18, 2027 (June 14-25, 2027)
- Field trip Trang Province: January 12-16, 2027
- Ceremony Certificate: July 2027

### For more information inquiries:

- Technology Training Office, Institute of Dermatology, 456 Rajvithi Road, Phayathai district, Bangkok 10400, Thailand
- Tel: +66 2354-5222 Ext: 1905

## INSTITUTE OF DERMATOLOGY

DEPARTMENT OF MEDICAL SERVICES  
MINISTRY OF PUBLIC HEALTH

---

### IOD DIPLOMA COURSE IN DERMATOLOGY AND DERMATOSURGERY

สถาบันโรคผิวหนัง  
INSTITUTE OF DERMATOLOGY THAILAND

## IOD DIPLOMA COURSE IN DERMATOLOGY AND DERMATOSURGERY

The Institute of Dermatology, Thailand, has been a leading center for skin disease control and dermatological education for over 50 years. Established as a hub for both clinical care and specialist training, it has played a vital role in advancing dermatological practice in the region.

This international training course was first launched in 1984 as a collaborative between the Royal Thai Government and the Government of Japan. It successfully operated for 36 years, training numerous international participants, before being paused for five years due to the COVID-19 pandemic.

Now relaunched with a revised and modernized curriculum, the course incorporates advancements in dermatology to align with current clinical standards and practices, ensuring its continued relevance and impact in global dermatological training.

### Course Overview

This program is specifically designed for internationally qualified medical doctors (MDs) who are interested in the field of dermatology and aspire to specialize as dermatologists. The curriculum offers a comprehensive blend of academic and practical training, covering the following core components:

- Basic Medical Sciences
- Clinical Dermatology
- Laboratory Techniques and Practices
- Dermatosurgery
- Aesthetic Dermatology

### OBJECTIVE

The program is designed to provide comprehensive education in both fundamental and advanced dermatology, aligned with international standards. The ultimate goal is to enhance the quality of public health services in dermatology by equipping participants with the knowledge and skills necessary for modern clinical practice.

This intensive, one-year academic training program also aims to serve physicians from Thailand and other countries, particularly those in the Asia-Pacific region, fostering regional collaboration in dermatological care.

#### **AFTER GRADUATION**

Graduates will be equipped to serve their communities as dermatologists. They will possess knowledge in dermatological science, diagnostic capabilities, managing skin diseases, including dermatosurgery and aesthetic dermatology.

**Career and development opportunities include:**

- Practicing as a dermatologist in government or private hospitals
- Working in private dermatology clinics
- Engaging in dermatological research
- Continuing education through self-study and participation in scientific conferences
- Pursuing advanced degrees in dermatology
- Building professional networks with fellow trainees from various countries

#### **QUALIFICATIONS OF APPLICANT**

- Hold an MD degree in Medicine
- Have at least one year of clinical experience in the medical field
- Thai applicants must have completed the MOU project
- Be under 50 years of age at the time of application
- Demonstrate proficiency in both spoken and written English
- Be in good physical and mental health
- 400,000 THB.

**DURATION** One academic year from August to July (2 semesters)

**LANGUAGE** The course is conducted in English.

**VANUE** Institute of Dermatology, Department of Medical Services, Ministry of Public Health

**Address** 456 Rajavithi Road, Bangkok 10400 THAILAND

Tel. 669 5205 1308, 662354-5222#1905

Website: [www.iod.go.th](http://www.iod.go.th)

E-mail: iodinternationalprogram@gmail.com,

The Diploma in Dermatology and Dermatosurgery, awarded by the Institute of Dermatology, is officially approved by the Ministry of Public Health. Participants who meet the required academic attendance and successfully pass all examinations will be awarded the diploma.

**Number of participants:** 20-25 participants

**Curriculum:**

**1. Course calendar**

1st semester : August – December

2nd semester : January – July

**Examination**

1<sup>st</sup> Semester : second week December

2<sup>nd</sup> Examination : second week of July

**Vacation** : New Year holidays, December

: Songkarn days (Thai New Year), April

: National holidays to be announced

: Half term vacation for one week

**Certificate presentation** : The end of July

**2. Learning procedure**

1. Lecture
2. Laboratory practice.
3. Case demonstration and examination
4. Slide conferences
5. Topic review
6. Interesting case
7. Clinical pathology conferences
8. OPD
9. IPD ward round
10. Field trip

### 3. Lecture

#### 3.1 General Dermatology

#### 3.2 Subspecial

- 1) Anti-aging
- 2) Bacteriology
- 3) Contact and occupational
- 4) Genodermatoses
- 5) Hair and Nail
- 6) Immunology
- 7) Microscopy
- 8) Mycology
- 9) Photobiology
- 10) Laboratory
- 11) Dermato pathology
- 12) Dermatosurgery and lasers
- 13) Aesthetics
- 14) Pedetric

### 4. O.P.D.

- Case examinations
- Case demonstrations
- Clinical slide conferences
- OPD visit to other hospitals

### 5. I.P.D.

- Case study,
- Presentation and discussion

### 6. Visiting OPD outside IOD

- 1) Bangrak-STD
- 2) Chulalongkorn University
- 3) Institute of Child Health
- 4) Leprosy Control, Wat Mongkut
- 5) Pramongkla Hospital
- 6) Rajvithi Hospital
- 7) Ramathibodi Hospital
- 8) Siriraj Hospital

## 7. Field trip

A field trip outside Bangkok will be arranged for learning local problems and culture visit. The trip is only for participants, no accompanying person is allowed.

## 8. Attending time

Class starts from 9.00 - 12.00 am and 1.00 – 3.00 pm. at the lecturer room 19th fl., Participants must be on time, sign name on the book at the lecture room.

## 9. Evaluations

Examinations will be conducted at the end of each semester. The results will be communicated to each participant individually. Please note the following examination rules:

- Exam paper is not allowed to take away from examination room.
- Talking among participants is not allowed during examination.
- Examination must be honest and disciplined

### Examination score

#### Remark:

- 1.1) The passing score is 60%.
- 1.2) Score less than 60%, and has to take re-examination.
- 1.3) The passing score for re-exam is 60%.

### Examination score

	1 <sup>st</sup> semester	2 <sup>nd</sup> semester
Paper examination 100	60.00%	55.00%
Laboratories and clinical slides 100	40.00%	40.00%
Oral examination	-	5%
Total	100.00%	100.00%

## 10. IOD Diploma

#### Diploma Requirements:

- 1) Participants must have a minimum attendance rate of 80%.
- 2) A passing score on the examination is 60%
- 3) Participation in the field trip outside Bangkok (Trang Province).

**Certificate of Attendance:**

- 1) Attendance rate is below 80%.
- 2) Total exam score is below 60%.
- 3) Non-participation in the field trip outside Bangkok.

**11. Participant are allowed to attend yearly conferences. (to be announced)**

DSAC 2 days (Not included Workshop)

Refresher courses and interhospital conference 2 days

**12. The library**

The library is located on the 21st floor and offers a variety of resources, including textbooks, medical journals, newspapers, and magazines.

- Opening Hours: Monday to Friday, from 8:30 AM to 4:00 PM
- Library membership is free, and members can borrow:

**Three textbooks and three medical journals for up to seven days**

One reference book for one night, if late returns will incur a penalty.

The latest journals are available for reading only within the library.

**Service Hours**

Monday - Friday 9.00 a.m. – 4.00 p.m.

**Book borrow regulations**

General books/journals, minimum 3 copies for 1 week

Reference books/current journal, 1 copy for 1 night

(Late returns will incur a daily fine.)

Drinking water should be place on the counter provided.

**13. Computers services**

Computers are available in the library and the common room on the 19fl,

## Learning topics

### 1. Lectures

#### 1.1 General Dermatology

- 1) Principle of dermatology
- 2) Basic, structure and function of the skin I, II
- 3) Laboratory Investigations
- 4) Acne and facial Dermatoses
- 5) Drug eruptions
- 6) Skin signs in systemic diseases
- 7) Topical therapy I, II,
- 8) Clinical dermatology I, II, III
- 9) Pigmentation
- 10) Vitiligo

#### 1.2 Subspecialty

##### 1.2.1 Contact and occupational

- 1) Contact dermatitis, Mechanism
- 2) Non-eczematous contact dermatitis
- 3) Occupational dermatoses
- 4) Contact urticarial syndrome
- 5) Lab demonstration
- 6) Lab practical

##### 1.2.2 Mycology

- 1) Superficial mycoses
- 2) Subcutaneous mycoses
- 3) Systemic mycoses
- 4) Lab talk
- 5) Lab demonstration
- 6) Lab practice

##### 1.2.3 Dermatopathology

- 1) Terminology and normal structure of the skin
- 2) Inflammatory diseases I, II
- 3) Vesiculobullous diseases (Derm-path)

- 4) Vasculitis & Panniculitis
- 5) Tumors I-II
- 6) Dermatopathology conference (CPC)

#### **1.2.4 Immunology**

- 1) Basic immunology
- 2) Basic immunodermatology
- 3) Immunodermatology
- 4) Vesiculobullous diseases
- 5) Connective tissue diseases
- 6) Urticaria

#### **1.2.5 Photodermatology**

- 1) Photobiology
- 2) Photodermatoses: Metabolic and genetic disorder
- 3) Photodiagnosis, solar urticaria
- 4) Phototoxic and photoallergy
- 5) Phototherapy and photochemotherapy
- 6) Photoprotection

#### **1.2.6 Hair and Nail**

- 1) Diseases of hair
- 2) Diseases of nails
- 3) Lab demonstration

#### **1.2.7 Dermato pharmacology**

#### **1.2.8 Geriatric and Anti-aging**

#### **1.2.9 Molecular biology**

#### **1.2.10 Pediatric dermatology**

- Infections
- Viral exanthem
- Kawasaki infectious
- SSSS Bullous
- Dermatomyositis

#### **1.2.11 Infection**

- Bacterial

Leprosy  
Sexual transmitted  
Viral  
Parasitic  
Lab demonstration

#### **1.2.12 Lab Investigation in Dermatology**

Demonstration  
Practical

#### **1.2.13 Dermatosurgery and Lasers**

- 1) Introduction to dermatosurgery
- 2) Basic Principle of Laser in Dermatology
- 3) Electrosurgery, Cryosurgery, Live demonstration
- 4) Surgical treatment of skin Cancer & Surgical treatment of Vitiligo
- 5) Intense Pulsed Light, Live demonstration
- 6) Carbon dioxide Laser, Live demonstration
- 7) Pigment specific Laser, Live demonstration
- 8) Vascular specific Laser, Live demonstration
- 9) Management of Acne Scarring, Live demonstration
- 10) Hair removal Laser, Live demonstration
- 11) Non-ablative Skin Remodeling laser, Live demonstration
- 12) Radiofrequency for Skin Tightening, Live demonstration
- 13) Fractional Erbium: Glass Laser, Live demonstration
- 14) Fractional Erbium: Yag Laser, Live demonstration
- 15) Light-based Devices in Treatment of Acne Vulgaris
- 16) Procedural Approach in Melasma, Live demonstration
- 18) Dermal Fillers, Live demonstration
- 19) Botulinum Toxin in Dermatology 1, 2, Live demonstration

#### **2. Specialty lab**

- 1) Anti-aging
- 2) Bacteriology
- 3) Contact and occupational
- 4) Genodermatoses

- 5) Hair and Nail
- 6) Immunology
- 7) Microscopy
- 8) Mycology
- 9) Pathology
- 10) Photobiology

### **3. Specialty clinic**

- 1) Genodermatoses
- 2) Immunology
- 3) Leprosy
- 4) Photobiology
- 5) Anti-aging
- 6) Mycology

### **4. O.P.D.**

- Case demonstration
- Clinical Slide Conference
- Interesting cases

### **5. I.P.D. Case study and discussion**

### **6. Visiting OPD outside IOD**

- 1) Bangrak-STD
- 2) Chulalongkorn University
- 3) Institute of Child Health
- 4) Leprosy Control, Wat Mongkut
- 5) Pramongkla Hospital
- 6) Rajvithi Hospital
- 7) Ramathibodi Hospital
- 8) Siriraj Hospital

### **7. Field trip**

Reginal Center of Tropical Dermatology, Trang province, South of Thailand.

## Class Regulations

### 1. Class Committee Formation

Participants must select a class leader and committee within the first month. The committee will oversee both scientific and social class activities and must include a Leader, Deputy, and Secretary.

### 2. Teaching Evaluation

Feedback on teaching at the end of the class is encouraged to help improve teaching quality.

### 3. Course Evaluation

A course evaluation will be requested at the end of the one-year program to support improvements in both academic content and administrative processes.

### 4. Name Badge

A name badge (cost: 500 THB) must be worn at all times within the IOD for identification and entry purposes. Badges are available from TTO (non-refundation).

### 5. Assigned Seating

Participants must sit in their assigned seats during class sessions.

"Please keep the lecture and common rooms clean and tidy at all times."

### 6. Electronic Devices

Use of communication devices (e.g., mobile phones, tablets) is not allowed during class.

Phones must be set to silent mode to avoid disruption.

### 7. Phone Etiquette

Talking on the phone during class is prohibited.

### 8. Personal Belongings

Do not leave personal items unattended in lecture rooms, OPD rooms, or common areas. IOD is not responsible for lost items. If anything is lost, report it immediately to the security guard and inform TTO.

### 9. Food and Beverages

Food is not allowed in lecture or OPD rooms. Use the common room during breaks. Drinks are permitted.

### 10. Dress Code

Participants must maintain proper hygiene and attire. Unacceptable clothing includes sandals (except for traditional/national dress), jeans, and skirts that are too short. Hair should be neat.

## 11. White Gown

One white coat will be provided for official hours.

Additional coats may be ordered at the participant's own expense.

## 12. Personal Hygiene

Due to Thailand's hot and humid climate, participants are advised to shower daily with antibacterial soap, use antiperspirants, and maintain good oral hygiene.

Clothes should be clean and freshly laundered at least twice a week.

## 13. Cultural Etiquette

- Do not touch another person's head or place your feet on tables.
- Male participants must not touch female participants without consent.
- Always ask for permission before examining a patient's head or body.

## 14. Photography and Video Recording

Taking photos or recording videos during classes is not allowed.

Requests for patient photos for academic purposes must be submitted to TTO.

## 15. Field Visits to Other Hospitals

Buses for OPD visits depart around 8:00–8:30 AM (exact time will be announced). Be punctual and ready at the ground floor, in front of the reception counter.

Inform the class leader and assistants in advance if you are unable to attend.

## 16. Classroom and Facilities (19th Floor)

- Lecture rooms are open from 8:30 AM to 4:30 PM.
- Facilities include cold water, an electric kettle, refrigerator, and microwave.
- Prayer room, common room, and lockers are available.

Locker keys are provided by TTO.

"Keep rooms and equipment clean after use. The last person to leave must turn off the air conditioner, kettle, microwave, and lights."

## 17. Meals

Lunch can be purchased at cafeterias or shops near IOD, including Rajavithi Hospital, Queen Sirikit National Institute of Child Health, the Faculty of Tropical Medicine, the Faculty of Public Health, and opposite IOD.

## 18. Health and Illness Precautions

If experiencing symptoms such as coughing, wear a face mask as a standard precaution. In case of severe illness, take an ATK test and notify the appropriate personnel for sick leave.

#### **Sick Leave**

18.1 Contact TTO for support if ill. IOD does not cover medical expenses—participants must have health insurance or pay for treatment themselves.

18.2 Submit a sick leave request form to the Director via TTO on the first day following your absence.

18.3 A medical certificate must be submitted if the illness lasts more than three consecutive days.

#### **Business Leave**

Submit a completed business leave form to the Director at least three days in advance. Leave is permitted only after approval.

#### **19. Letters of Recommendation**

To request a letter of recommendation, contact TTO at least two weeks in advance. Payment should be made at the Finance and Accounting Office on the 19<sup>th</sup> floor.

#### **20. Damage Guarantee**

A refundable deposit of 3,000 THB must be submitted within the first month at the Finance and Accounting Office (17<sup>th</sup> floor). The full amount will be reimbursed upon completion of training, provided no damage has occurred.

#### **21. Alumni Association Membership**

Participants are encouraged to join the Institute of Dermatology Alumni Association for future networking and academic opportunities.

- Membership Fee: 2,000 THB (payable at the Alumni Office, 18<sup>th</sup> floor)
- Benefits include discounts or free access to special courses and lectures.
- Website: [www.alumni.inderm.go.th](http://www.alumni.inderm.go.th)
- Email: [in\\_alumni@yahoo.com](mailto:in_alumni@yahoo.com)

Membership cards will be provided upon registration.
