**General Information
of
Road Asset Management**

Batch 2: 10 – 28 November 2025

Conducted by

The Government of Japan
Japan International Cooperation Agency

The Government of the Kingdom of Thailand
Thailand International Cooperation Agency
Department of Highways

Japan International Cooperation Agency (JICA)

ODA and JICA

Since 1954, Japan has been providing financial and technical assistance to developing countries through ODA (Official Development Assistance), aiming to contribute to the peace and development of the international community. JICA is in charge of administering all ODA such as technical cooperation, ODA loans and grant aid in an integrated manner. JICA assists and supports developing countries as the executing agency of Japanese ODA, and works in over 150 countries and regions and has some 100 overseas offices.

JICA's Vision

Leading the world with trust

JICA, with its partners, will take the lead in forging bonds of trust across the world, aspiring for a free, peaceful and prosperous world where people can hope for a better future and explore their diverse potentials.

JICA's Mission

JICA, in accordance with the Development Cooperation Charter, will work on human security and quality growth.

Actions

1. Commitment: Commit ourselves with pride and passion to achieving our mission and vision.
2. Gemba: Dive into the field ("gemba") and work together with the people.
3. Strategy: Think and act strategically with broad and long-term perspectives
4. Co-creation: Bring together diverse wisdom and resources.
5. Innovation: Innovate to bring about unprecedented impacts.

Thailand International Cooperation Agency (TICA)

TICA's Vision

TICA aspires to be a central agency on technical and development cooperation under the Royal Thai Government to serve as a bridge for global sustainable development.

TICA's Mission

TICA is the main agency to execute international development cooperation with foreign governments, international organizations and intergovernmental organizations.

TICA is the focal agency in formulating strategic guidelines and policies on international development cooperation to be comprehensively in line with the Royal Thai Government's foreign policies.

Objectives

- To develop international cooperation plan, study and analysis on cooperation policy including implementation, follow-up and evaluation of technical cooperation projects.
- To administer development cooperation programmes provided to developing countries according to foreign policies of the Royal Thai government.
- To cooperate with various development partners including foreign governments and international organizations to develop technical cooperation projects for development under bilateral and multilateral frameworks.
- To administer fellowships and scholarships offered to developing countries for human resources development in public and private sectors as well as civil society.
- To coordinate international development cooperation.
- To disseminate information regarding development cooperation to government agencies concerned and international organizations.

DEPARTMENT OF HIGHWAYS (DOH)

DOH's Vision

To develop and manage the highway network that is convenient, connected, accessible, safe, and environmentally friendly, according to Road Hierarchy standards, benefiting all groups of people.

DOH's Mission

1. Develop a Highway Network that promotes connectivity, accessibility, and mobility to drive the country's economy and society.
2. Maintain and enhance the safety, and management level of the highway network to ensure continuous service readiness in accordance with quality standards.
3. Manage an organization that strives to become digital, adaptable to change, environmentally conscious, and inclusive of all groups, aiming for sustainable development goals.

Duties and Responsibilities

1. Enforcing highway laws and other involved laws, especially on motorways, national highways and concession highway.
2. Research and development, renovation and maintenance of the motorways, national highways and concession highway.
3. Cooperating with domestic and international organizations regarding highways issues.
4. Other duties as appointed by law, the Ministry of Transport and the cabinet.

The Third Country Training Programme on “Road Asset Management” is conducted by the Government of Thailand and the Government of Japan as part of their Technical Cooperation Scheme. The course arrangements are set up by Thailand International Cooperation Agency (TICA), and Japan International Cooperation Agency (JICA) in collaboration with Department of Highways (DOH), Thailand.

Title

Road Asset Management

Purpose

Disseminating and exchanging technical knowledge and best practices on Road Planning, Road and Bridge Maintenance Management System, Road Traffic Safety Issues and Tunnel Engineering, and also creating road network cooperation among civil engineers of road authorities in ASEAN and BIMSTEC regions.

Objectives

1. To enable the participants having knowledge and understanding on Planning for Road Infrastructure in Thailand.
2. To enable the participants having knowledge and understanding on effective maintenance management system for road and bridge.
3. To enable the participants having knowledge on database formulation and innovative applications for road and bridge maintenance.
4. To enable the participants having knowledge and understanding on road traffic safety.
5. To enable the participants having knowledge and understanding on tunnel engineering.

Anticipated Benefits

Participants are able to gain knowledge and know-how on the following issues upon completion of the course:

1. Planning for Road Infrastructure in Thailand
2. Road Maintenance Management System
3. Bridge Maintenance Management System
4. Innovative Applications for Road and Bridge Maintenance
5. Climate-Resilient Road and Bridge Construction
6. Road Traffic Safety
7. Tunnel Engineering
8. Road and Bridge Maintenance Technologies Transferred from Japan
9. Technical Visits on Road Engineering and Cultural Heritage

Duration

3 weeks including weekends

Batch 2: 10-28 November, 2025

Invited Countries

The government of the following countries will be invited to nominate their staffs to apply for the course:

ASEAN: Cambodia, Indonesia, Lao PDR, Malaysia, Myanmar, Philippines, Timor-Leste, Vietnam, Thailand, each country can nominate two participants and one alternate applicant for the scholarship.

BIMSTEC: Bangladesh, Bhutan, Nepal, Sri Lanka, each country can nominate one participant and one alternate applicant for the scholarship.

Number of participants: The total number of participants is 23.

Language

The courses will be conducted in English.

Institution

The course will be conducted by Department of Highways (DOH).

Venue

The course will be conducted mainly at Office of Department of Highways (DOH), Ministry of Transport located at 2/486 Si Ayutthaya Road, Rajathevee, Bangkok, Thailand.

Tel: +66-2206 3789 ext. 25420 Fax: +66-2354 6600 Website: <https://www.doh.go.th>

Qualification

The participants are required to have the following requirements.

1. be nominated by their respective Governments in accordance with the procedure stipulated in Application Procedure (1);
2. have completed at least Bachelor Degree or equivalent academic background in Civil Engineering or related field in Road Engineering;
3. be government official with at least 5 (five) years working experience in Road Engineering;
4. be under 55 years of age;
5. be proficient in spoken and written English;
6. be in good health both physically and mentally; each participant should have a health certificate provided by an authorized physician. The medical report form is also attached together with the Nomination Form. Pregnancy is regarded as a disqualifying condition for participation in the Course; and
7. not to be serving in any form of the military services.
8. As per Gender Equality, women are encouraged to apply for this programme.

Application Procedure

1. The Government applying for the Course on behalf of its applicant(s) should forward three (3) copies of the prescribed application form and list of facilities existing for each applicant **not later than 12nd September, 2025** to the Government of the Kingdom of Thailand through the Royal Thai Embassy, or the Royal Thai Consulate-General in their countries, and send one (1) copy directly to

Director,
Human Resources Development Cooperation Division,
Thailand International Cooperation Agency (TICA),
Ministry of Foreign Affairs,
The Government Complex, Building B (South Zone),
8th Floor, Laksi District, Bangkok 10210, THAILAND
Tel. +66 2203 5000 Ext. 43302, +66 2143 8451
e-mail: tctp.tica@gmail.com

2. The Government of the Kingdom of Thailand will inform the applying governments for the applicants accepted to the Courses and will issue the invitation letter to accepted applicants not later than thirty (30) days (**tentatively, 11 October, 2025**) before the commencement of the Course.

Certificate

Participants who have successfully completed the course will be awarded a certificate by JICA, TICA, and DOH.

Allowance and Expenses

The following allowance and expenses will be borne by the Royal Thai Government and the Government of Japan

1. Economy class round trip air ticket between the nearest International Airport of participants' countries and Bangkok will be issued by TICA to the approved candidate.
 - The approved candidates are requested to send a photocopy of their passport, the page which shows the correct names for arranging the electronic air ticket.
 - The electronic air ticket will be sent to the approved candidates, via email from TICA.
2. Living allowance at the rate of Baht 600 per day (equivalent to approximately US\$17) will be paid to the participant during stay in Thailand. This living allowance is for food, local transportation and other personal daily expenses. However, each participant is suggested to have a pocket money for a few days expenses prior to the allowance payment.
3. In accordance with relevant regulations, under the health insurance arrangement, free minor medical treatment will be provided for participant who becomes ill during his/her stay in Thailand.

Accommodation and Meals

The accommodation of participants is located at The Palazzo Bangkok Hotel, Ratchadapisek Road, Bangkok. Participants should have their meals by their own per-diem.

The Palazzo Bangkok

111 Soi Niam-utit, Ratchadapisek Road, Bangkok 10400 Thailand

Other information: International Travelling

1. Participants are required to arrive in Thailand on the date as designated by TICA after confirmation of acceptance. However, it will be finally confirmed to the air tickets sent to the participants. The final confirmation of the air tickets will be sent to the participants in advance.

2. Participants should assume responsibility for other expenses incurred during travel between the participants' home countries and Thailand such as local transportation, passport fee, or airport tax.

3. Prior to arrival in Thailand, all participants should obtain the Non-Immigrant VISA (F) from the Royal Thai Embassy or the Royal Thai Consulate-General in their countries or the countries nearby. VISA fee can be reimbursed from TICA with original receipt.

4. Upon arrival at Bangkok International Airport, participants are asked to look for TICA sign the AOT Limousine customer relation counters and proceed to it. Participants are required to show the Instruction of Fellowship Award at the counter so that arrangements for airport transfer to the reserved hotel will be made. Participants do not have to pay for the AOT limousine service charge since the cost will be paid directly to AOT by TICA. Participants are recommended not to take a public taxi to the hotel by themselves as the taxi fees cannot be refundable from TICA

5. Participants shall not bring any members of their families with them during the training.

Course Outline

(JFY 2025)

Tentative Program

TCTP on Road Asset Management

Batch 2: 10 – 28 November 2025

(Sun 9 Nov): Participants arrive in BKK

Day 1 (Mon 10 Nov): Course Introduction and Department of Highways in General and Planning for Road Infrastructure in Thailand

09.00-09.30 Registration
09.30-10.45 Course Orientation and Introduction (Preparation of Country Report Presentation and Budget Allocation)
10.45-11.00 Coffee break
11.00-12.00 Opening remark by the Director-General of DOH
Opening remark by JICA / TICA
12.00-13.00 Reception Lunch
13.00-16.00 Department of Highways' Road Management and Administration and its International Highways Development Networks
Transportation Modes
16.00-18.00 Group Activities

Day 2 (Tue 11 Nov): Public Private Partnership for Road Project and Road Maintenance Management System

08.00-09.00 Country Paper Presentation
(Cambodia, Lao PDR., Myanmar)
09.00-12.00 Public Private Partnership (PPP) for Road Project
12.00-13.00 Lunch
13.00-16.00 Introduction to Highways Maintenance Management

Day 3 (Wed 12 Nov): Road Maintenance Management System

08.00-09.00 Country Paper Presentation
(Indonesia, Malaysia, Philippines)
09.00-12.00 Introduction to Emergency Management Systems
12.00-13.00 Lunch
13.00-16.00 Road Asset Management on Intercity Motorways Thailand

Day 4 (Thu 13 Nov): Introduction to Bridge Construction, Bridge Inspection and Maintenance

08.00-09.00 Country Paper Presentation
(Timor-leste, Vietnam, Thailand)
09.00-12.00 Introduction to Bridge Construction and Maintenance
12.00-13.00 Lunch
13.00-16.00 Bridge Inspection and Maintenance

Day 5 (Fri 14 Nov): Improvement and Rehabilitation of Bridge and Management System Database, and Deterioration, Causes and Effects on Bridge Structure

08.00-09.00 Country Paper Presentation
(Bhutan, Bangladesh, Nepal, and Sri Lanka)
09.00-12.00 Improvement and Rehabilitation of Bridge
12.00-13.00 Lunch
13.00-16.00 Bridge Maintenance and Management System Database and Deterioration, Causes and Effects on Bridge Structure

- Day 6 (Sat 15 Nov): Cultural Visit and City Tour**
08.00 Depart from the hotel
08.30-10.30 Wat Phra Kaew and the adjoining Grand Palace
10.30-13.00 Depart for Chonburi
13.00-14.00 Lunch
14.00-15.00 Depart for Pattaya
15.00-17.00 City Tour
- Day 7 (Sun 16 Nov): Cultural Visit and City Tour**
09.00-12.00 Cultural Visits and City Tour
12.00-13.00 Lunch
13.00-16.00 City Tour
- Day 8 (Mon 17 Nov): Technical Visit: Traffic Management on Intercity Motorway, Thailand**
07.30 Depart from the hotel
09.00-12.00 Technical Visit: Traffic Management on Intercity Motorways Thailand (Lecture and Site Visit at CCB)
12.00-13.00 Lunch
13.00-16.00 Technical Visit: Road Asset Management on Intercity Motorway Thailand (Lecture and Site Visit at Rest Area)
16.00 Depart for the hotel in Bangkok
- Day 9 (Tue 18 Nov): Bridge Design, and Introduction of Bridge Deterioration Survey for Bridge Repairs**
09.00-12.00 Bridge Design: Suspension Bridges and Cable-Stayed Bridges
12.00-13.00 Lunch
13.00-16.00 Introduction of Bridge Deterioration Survey Equipment and Materials for Bridge Repairs
- Day 10 (Wed 19 Nov): Innovative Applications for Bridge Maintenance, and Climate-Resilient Road and Bridge Construction**
09.00-12.00 Innovative Applications for Bridge Structural Condition Inspection
12.00-13.00 Lunch
13.00-16.00 Climate-Resilient Highway Design
- Day 11 (Thu 20 Nov): Climate-Resilient Road and Bridge Construction**
09.00-12.00 Climate-Resilient Road and Bridge Construction
12.00-13.00 Lunch
13.00-16.00 Pavement Design and Materials Selection for Sustainable Roads
- Day 12 (Fri 21 Nov): Road Traffic Safety**
09.00-12.00 Road Safety Management
12.00-13.00 Lunch
13.00-16.00 Intelligent Transport System
- Day 13 (Sat 22 Nov): Cultural Visits (Northern Thailand)**
08.00-09.00 Depart for Chiang Mai Province
09.00-12.00 Cultural Visits at Chiang Mai Province
12.00-13.00 Lunch
13.00-16.00 Technical Visits on Erosion Protection for Landslide in the Mountainous Areas

- Day 14 (Sun 23 Nov): Technical Visits on Erosion Protection**
09.00-12.00 Technical Visits on Erosion Protection for Landslide in the Mountainous Areas
12.00-13.00 Lunch
13.00-16.00 Technical Visits on Erosion Protection for Landslide in the Mountainous Areas cont.
- Day 15 (Mon 24 Nov): Technical Visits on Road and Bridge Maintenance Project**
09.00-12.00 Technical Visits on Road and Bridge Maintenance Project in Chiangmai
12.00-13.00 Lunch
13.00-16.00 Cultural Visits in Chiang Mai
16.00 Depart for Chiang Mai International Airport
18.00 Depart for Bangkok
- Day 16 (Tue 25 Nov): Tunnel Engineering**
09.00-12.00 Planning for Road Tunnels
12.00-13.00 Lunch
13.00-16.00 Guidelines for Design Change, Inspection, Operation and Maintenance of Road Tunnels
- Day 17 (Wed 26 Nov): Road and Bridge Maintenance Technologies Transferred from Japan**
09.00-12.00 New Technologies in Road and Bridge Maintenance
12.00-13.00 Lunch
13.00-16.00 New Technologies in Road and Bridge Maintenance cont.
- Day 18 (Thu 27 Nov): Technical Visits on Road and Bridge Construction and Maintenance Projects**
09.00-12.00 Technical Visits on Road and Bridge Construction and maintenance in Bangkok and its surrounding metropolitan areas
12.00-13.00 Lunch
13.00-16.00 Technical Visits on Road and Bridge Construction and maintenance in Bangkok and its surrounding metropolitan areas cont.
- Day 19 (Fri 28 Nov): Road Safety Devices for Highways**
09.00-12.00 Road Safety Devices for Highways
12.00-13.30 Lunch
13.30-14.00 Closing Ceremony
14.00-16.00 Learning Reflection and Course Evaluation
- (Sat 29 Nov): Departure of Participants**

* The subject of course outline may be changed for opportunities, if necessary.

Annex-1

Country Report for the Third Country Training Program on Road Asset Management

Content of Country Report

1. Name of Participant(s)
2. Chart of Organization the participant belong to, the type of participant's current responsibility, managing, training, instructing, and job description.
3. Information
 - General Information of Country, map and etc.
 - Organization Structure of Ministry and Department
 - Responsibilities of participants' organization, overall length of roads of country, classification of roads etc.
 - Road and bridge maintenance and management in participant's country (e.g. methods and frequency of inspection, selection of maintenance methods, maintenance database, etc.)
 - Maintenance and management of other kinds of road assets (e.g. street lightings, signs, traffic signals, cameras, guardrails/barriers, etc.)
 - Etc.
