

Applying for Certificate of Entry (COE)

Category: “Non-Thai people in need of medical treatment (except Covid-19) in Thailand, including their accompanying persons (maximum 3 persons)”

Under clause 1(10) by Virtue of selection 9 of the Emergency Decree on Public Administration in Emergency Situation B.E. 2548 (2005) (No.12)

Procedure for Applicants

An applicant must contact a medical facility in Thailand enlisted in the “List of AHQ (Alternative Hospital Quarantine)” approved by the Ministry of Public Health (MOPH). The medical facility will contact the MOPH (Health Service Support Department) for consideration and approval. Once approved, the applicant will receive necessary documents from the medical facility for applying for a COE and a visa.

1. An applicant can apply for a **Certificate of Entry (COE)** for entering Thailand through <https://coethailand.mfa.go.th/> Please read the instruction on the website thoroughly.

MEMO: Online Application - Steps in Brief

- Step 1 - Applicant** completes the **1st part - personal information**. Applicant will receive **6-digit number (Do note down!)** upon successful submission for tracking the application.
- Step 2 - Embassy** approves/denies the application. (within 3 working days)
- Step 3 - Applicant** completes the **2nd part - travelling and quarantine information**. (to be completed **within 15 days** after the approval)
- Step 4 - Embassy** approves/denies the application, if approved, COE can be downloaded directly from the system.

2. Required documents are as follows:

1st Part - Personal Information

- 2.1 Applicant’s passport and, if applicable, a valid visa and/or a re-entry permit
- 2.2 Documents that the applicant received from the medical facility after approved by MOPH
- 2.3 Proof of financial collateral adequate to cover all the expense that may occur during the applicant’s stay in Thailand.
- 2.4 If applicable, passport of accompanying persons (no more than 3 persons)
- 2.5 Health insurance with the face amount that covers medical expenses in Thailand, which includes COVID-19 (must be specifically mentioned !!) medical expenses in the financial amount NOT less than 100,000 USD.

2nd Part - Travelling and Quarantine Information

- 2.6 A confirmation letter for reservation at an Alternative Hospital Quarantine (AHQ)
- 2.7 A flight ticket

3. The applicant can track the application on the system. No notifications will be sent.
4. If applicable, the applicant can make an appointment (070 345 07 66 ext. 212) at the Embassy to submit the documents for a **visa application**, see our website for required documents.
5. Apart from a **valid visa** (visa exemption not applicable / tourist visa not allowed), travellers must prepare the following printed documents in order to enter Thailand:
 - 5.1 Certificate of Entry (COE)
 - 5.2 Medical certificate (in English) affirming good health to travel (**Fit to Fly**). The examination must be done no longer than 72 hours before the departure of the flight.
 - 5.3 Medical certificate (in English) affirming a **negative result of Corona (COVID-19) RT-PCR tested** within 72 hours before the departure of the flight.
 - 5.4 Documents in **2.1 - 2.6**
6. Travellers shall, immediately after entering Thailand, strictly follow the health procedures by quarantining at an AHQ for 14 days at their own expense.
