

Applying for Certificate of Entry (COE)

Category: "Non-Thai Spouse, Parents or Children of a Thai national"

Under clause 1(6) by Virtue of selection 9 of the Emergency Decree on Public Administration in Emergency Situation B.E. 2548 (2005) (No.12)

Procedure for Applicants

1. An applicant can apply for a **Certificate of Entry (COE)** for entering Thailand through <https://coethailand.mfa.go.th/> Please read the instruction on the website thoroughly.

MEMO: Online Application - Steps in Brief

Step 1 - Applicant completes the **1st part - personal information**. Applicant will receive **6-digit number (Do note down!)** upon successful submission for tracking the application.

Step 2 - Embassy approves/denies the application. (within 3 working days)

Step 3 - Applicant completes the **2nd part - travelling and quarantine information**. (to be completed **within 15 days** after the approval)

Step 4 - Embassy approves/denies the application, if approved, COE can be downloaded directly from the system.

2. Required documents are as follows:

1st Part - Personal Information

- 2.1 Applicant's passport and, if applicable, a copy of a valid visa and/or a re-entry permit
- 2.2 Marriage certificate, birth certificate *or* an official document certifying the legal relationship between a non-Thai national who is the parent, spouse or child of a Thai national
- 2.3 Thai ID card or Thai passport of the Thai spouse, Thai parents and/or Thai child
- 2.4 Health insurance with the face amount that covers medical expenses in Thailand, which includes COVID-19 (must be specifically mentioned !!) medical expenses in the financial amount NOT less than 100,000 USD.

2nd Part - Travelling and Quarantine Information

- 2.5 A confirmation letter for reservation at an Alternative State Quarantine (ASQ) or Alternative Hospital Quarantine (AHQ)
- 2.6 A flight ticket

3. The applicant can track the application on the system. No notifications will be sent.
4. If applicable, the applicant can make an appointment (070 345 07 66 ext. 212) at the Embassy to submit the documents for a **visa application**, see our website for required documents.
5. Apart from a **valid visa** (visa exemption not applicable / tourist visa not allowed), travellers must prepare the following printed documents in order to enter Thailand:
 - 5.1 Certificate of Entry (COE)
 - 5.2 Medical certificate (in English) affirming good health to travel (**Fit to Fly**). The examination must be done no longer than 72 hours before the departure of the flight.
 - 5.3 Medical certificate (in English) affirming a **negative result of Corona (COVID-19) RT-PCR tested** within 72 hours before the departure of the flight.
 - 5.4 Documents in **2.1 - 2.5**
6. Travellers shall, immediately after entering Thailand, strictly follow the health procedures by quarantining at an ASQ or AHQ for 14 days at their own expense.
