

## **ANNOUNCEMENT**

### **Launch of Online Stickerless E-Visa Application Service & Termination of Visa Application in Person**

The Royal Thai Embassy, The Hague, will launch a totally **online stickerless e-Visa application service** on <https://thaievisa.go.th/>, which will replace the current in-person visa application procedures, for travellers residing in the Netherlands starting from **22 November 2021** onwards.

E-Visa applicants will be required to create an application account, complete the application form, upload supporting documents, and pay the application processing fee **online**. It is not required to send passports to the Embassy by post or to submit the application at the Embassy in person, except for those who are invited for an interview. **Successful applicants will receive their e-Visas by email**, which they can print out for entering Thailand.

Applicants will be able to follow up the status of their applications through their online accounts. Further information on the e-Visa Application system can be found in the user's manual available at: <https://thaievisa.go.th/static/English-Manual.pdf> and <https://thaievisa.go.th/video-user-manuals>.

The Embassy urges all applicants to thoroughly read through the abovementioned user's manual prior to starting the application process and to exercise caution in completing their applications to avoid any possible mistakes, which could lead to cancellation or rejection of the applications. Application processing fee (visa fee) will **NOT** be refunded in either case.
