From 1 November 2021

- **Removal of Quarantine Requirement**

- Travellers from **Bulgaria and Romania** may enter Thailand without quarantine provided that they are **fully vaccinated at least 14 days before travelling** and have been in the eligible areas for at least 21 consecutive days.
- They must have a **fully-paid SHA+ or AQ hotel reservation for at least 1 night, inclusive of one RT-PCR test.**
- They must also have **health insurance in English which expressly covers treatments related to COVID-19 with minimum coverage of 50,000 USD** and **negative RT-PCR test result issued within 72 hours before departure.**
- They will have to take an RT-PCR test on the day of arrival and will be allowed to leave the hotel after receiving their negative test result.
- Eligible travellers who have already paid for their 7 or 10 days at SHA+ or AQ hotel **may submit their request for refund directly to their hotels.**

- **New Registration Platform**

- On 1 November 2021, the Certificate of Entry (COE) platform will be discontinued. Those wishing to enter Thailand will have to register via **the new platform, “Thailand Pass” (<https://tp.consular.go.th>)**. They must register through the new platform **at least 7 days before departure.**
- Instead of COE, travellers will need to show a **QR Code generated through the Thailand Pass system** upon check-in and arrival in Thailand.
- **Those who have already been issued COEs before 1 November 2021 may use their COEs to enter Thailand.** There is no need to register again for Thailand Pass.
