

Technical Specifications of the Procurement Item Official Vehicle for the Ambassador or Equivalent Position

1. Background

The Royal Thai Embassy in Bucharest has been allocated a budget for the fiscal year B.E. 2569 (2026) to procure one official vehicle for the Ambassador or a person of equivalent rank, with an engine size of 2,989 cc.

2. Objective

To be used as the official vehicle for the Ambassador or equivalent position for official duties of the Embassy in Bucharest.

3. Qualifications of Sellers

3.1 The seller must be a manufacturer or an authorized dealer of the vehicle brand being offered.

3.2 The seller must have a certified service center in the country where the Royal Thai Embassy in Bucharest is located.

4. Technical Specifications of the Vehicle

4.1 Passenger vehicle with engine capacity not exceeding 3,000 cc, equipped with air conditioning.

4.2 Must be a brand-new vehicle, never previously used, in ready-to-use condition. Model year 2026

4.3 Must be treated with anti-rust coating or equipped with a rust prevention system.

4.4 Must include all standard equipment as specified by the manufacturer.

4.5 Vehicle color must be black or dark blue (navy blue), in accordance with manufacturer standards, and uniform across the entire vehicle.

4.6 Engine must comply with industrial product standards.

4.7 Manual or automatic transmission.

4.8 Equipped with an airbag system.

4.9 Equipped with an anti-theft system and key.

4.10 Wheels and components must be standard size as specified by the manufacturer for the proposed model, with 4 new factory tires.

4.11 Must include at least the user manual and maintenance/service manual.

5. Delivery Period

Within 165 days from the date of contract signing/purchase order issuance. Delivery location: Royal Thai Embassy in Bucharest, address 12 Vasile Conta Street, Sector 2, Bucharest 020953.

6. Criteria for Evaluation of Proposals

Price-based criteria, considering the total price, with the lowest price being selected.

7. Budget

Funded under the fiscal year B.E. 2569 (2026) budget, with a total budget not exceeding EUR 103,080.39.

8. Delivery and Payment Terms

When entering into the sales contract, a deposit of 10% of the vehicle's value shall be paid. The remaining balance shall be paid once the seller has delivered the goods completely and correctly in accordance with the contract or agreement, and the inspection committee has completed the acceptance inspection.

9. Penalty (if applicable)

For procurement requiring full completion of work, a daily penalty will be applied at a fixed rate of 0.10% of the contract value, but not less than 100 Baht per day.

10. Warranty Period (if applicable)

The vehicle must be covered by a warranty against defects arising from normal use for a period of not less than _____ years or _____ kilometers, whichever comes first, starting from the date following delivery.
