In addition, if documents issued by agencies under the Royal Thai Government, or other Thai entities, are found to have been forged, falsified, or adjusted without proper authorisation, the Royal Thai Consulate - General may inform the issuing entities in Thailand, where legal action may be taken against you.

3. The grant of a visa by the Royal Thai Consulate - General **does not** guarantee that you will be permitted to enter the Kingdom of Thailand. The final decision rests with the Immigration Officer at the point of entry, where other relevant information and considerations may be taken into account.
