**Recent/Planned Meetings and Seminars on Trafficking in Persons / Forced Labour Issues
hosted by Thailand and involving International Organizations**

1. **ILO-RTG Multi-Stakeholder Forum on Labour Conditions in the Fisheries Sector in
Thailand,** May 2014
This forum was an ILO initiative co-hosted by the Ministry of Labour and the Department of
Fisheries. It brought together Thai government officials, fisheries and seafood businesses, Thai
and foreign civil society, and buyers from the EU, the US and Australia.

2. **A Seminar on UNTOC Commitments and TIP Protocol,** November 2014
This seminar was attended by representatives from UN-ACT, UNODC and Thai agencies.

3. **The Bali Process Regional Symposium on Trafficking for the Purposes of Labour
Exploitation,** March 2015
The seminar was co-hosted by Thailand and Australia as part of the Bali Process on People
Smuggling, Trafficking in Persons and Related Transnational Crime framework. There was ILO
representation as panelists and participants. The Symposium was a success in opening up the
discussion on trends, key issues and international cooperation relating to labour trafficking in
the region.

4. **Development Cooperation Seminar on Migration,** May 2015
The seminar will be jointly hosted by the UN Country Team and the Royal Thai Government.
The main objective is to support enhanced dialogue and effective and coordinated action on
migration issues in Thailand, including the system for regularizing and managing the large
migrant workforce.

5. **A Regional Meeting on Migrants' Health,** July 2015 (TBC)
Thailand is working with the IOM to organize this regional meeting, the outcome of which will
be reported in the Global Forum on Migration and Development (GFMD 2015).

In general, Thailand has closely engaged the ILO especially on migrant workers management.
We have ongoing dialogue with UNCT and the ILO to gather recommendations and feed into
relevant committees and authorities. We have also closely consulted with the UN and ILO on the
government's nation-wide registration of migrant workers.
