

The Ministry of Foreign Affairs presents its compliments to all Diplomatic Missions, Consular Representatives and International Organisations in Thailand and, with reference to the Ministry's Note No. 0404/c.598 dated 2 April B.E. 2564 (2021) regarding the Centre for COVID-19 Situation Administration's Order No. 4/2564 dated 31 March B.E. 2564 (2021), has the honour to inform the latter that due to the recent COVID-19 resurgence, the Centre for COVID-19 Situation Administration has revised the quarantine period for all travellers who wishes to enter into the Kingdom of Thailand as follows:

1. Travellers who obtain their Certificate of Entry (COE) from 1 May 2021 onward will have to undergo no less than 14 days quarantine, regardless of their countries of origin or vaccination status.
2. Travellers who have obtained their COE prior to 1 May 2021 and arrive before 6 May 2021 will have to undergo no less than 7, 10, or 14 days quarantine, depending on their vaccination status.
3. Travellers who have obtained their COE prior to 1 May 2021 and arrive in Thailand from 6 May 2021 onward will have to undergo no less than 14 days quarantine.
4. For those who have already obtained a COE, their quarantine period will be changed to 14 days automatically. The hotel in which they choose to undergo quarantine will contact them to revise their quarantine package before their arrival in Thailand.

The Ministry of Foreign Affairs avails itself of this opportunity to renew to all Diplomatic Missions, Consular Representatives and International Organisations in Thailand the assurances of its highest consideration.
