

No. 0404/C.418

The Ministry of Foreign Affairs presents its compliments to all Diplomatic Missions, Consular Representatives and International Organizations (DCIOs) and has the honour to refer to the fingerprint - scanning measure for the diplomats introduced by the Immigration Bureau at the airports which has been recently raised by some of the latter under the reason of inconvenience and the possibility of violation of the Vienna Convention on Diplomatic Relations.

In this connection, the Ministry has further the honour to inform the latter that after consulting with the authorities concerned, the Immigration Bureau has agreed that holders of Diplomatic Passport shall not be subject to the fingerprint - scanning measure.

The Ministry of Foreign Affairs avails itself of this opportunity to renew to all Diplomatic Missions, Consular Representatives and International Organizations (DCIOs) the assurances of its highest consideration.
