Remarks :

Main Control Measures mean implementing measures under Clause 11 of the Regulation Issued under Section 9 of the Emergency Decree on Public Administration in Emergency Situations B.E. 2548 (2005) (No.1).

Supplementary Measures are measures in addition to Main Control Measures which require cooperation from business operators and activity organisers, including customers and participants, in order to make measures preventing and controlling the spread of the COVID-19 disease more efficient.

Operations manual serves as guidelines and conditions for carrying out business operations and the organisation of activities in each area, in order to maintain prevention measures for the spread of the COVID-19 disease in a continuous manner, and for people to be able to live safely from the spread of COVID-19 disease in accordance with the Sufficiency Economy Philosophy.
