

Visa Procedure

Step 1:

The applicant is advised to check the [visa type](#) that matches the purpose of the visit to Thailand. The [Application Form](#) and supporting documents, in accordance with the visa category, should be filled before visitin the Embassy.

Step 2:

The Applicant is advised to make an [Online Appointment](#). The will reduce the visa submission time at the Embassy.

Step 3:

The applicant brings and submits visa application with all supporting documents at the Embassy. The Embassy will give priority to applicant who made an online appointment (The printed online appointment confirmation must be attached with the visa application).

Step 4:

After submitting the visa application and passport, the applicant is advised to keep the receipt and bring it along on the date of passport collection.

Visa Processing Time:

The normal visa processing time are 2 working days (Submit on Monday and get the result on Wednesday). However, special cases that require considerations from Bangkok will have longer visa processing time.
