Types of Study Plan

1. **Plan A** is research-oriented. Students are required to complete a thesis by conducting research to build a body of knowledge in their fields of study. There are two sub-plans:

- 1) **Plan A 1** is a thesis-based plan equivalent to 36 credits.
- 2) **Plan A 2** is a thesis-based plan which includes both coursework and thesis. The thesis work should be at least 12 credits

2. **Plan B** is coursework-oriented. Students are not required to complete a thesis but are required to complete an independent study of at least 3 credits but no more than 6 credits.

However, the university may require additional credit and non-credit courses or other academic activities. Regardless, students must complete the program with outcomes as specified by the university.

Scholarship's terms and conditions

Naresuan University offers ONLY 1-2 scholarships for 2024 Thailand Scholarships. During the period of the scholarship, the grantee must strictly follow the scholarship's terms and conditions as follows:

1. The grantee needs to fulfill the publication requirement as follows:
 - For Study Plan A1: the grantee must publish at least 1 full paper in an international journal indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
 - For Study Plan A2: the grantee must publish at least 1 full paper in an international journal or proceedings of an international conference indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
2. The grantee must explicitly identify the granted scholarship from Naresuan University in the published study/studies and thesis presenting the grantee's work.
3. The grantee must act as a teaching assistant (TA) and/or research assistant (RA) as specified by the thesis advisor/assigned advisor.
4. The grantee must maintain a Cumulative Grade Point Average of ≥ 3.25 at the end of each academic year. For a research-based student, the academic advisor will submit an evaluation at the end of each semester. Failing to meet this requirement will result in a termination of the scholarship.

Scholarship's terms and conditions (Cont.)

5. The grantee must pay attention to his/her study by following the guidance of his/her advisor. The grantee is required to complete the study without any willful abandonment of the scholarship.
6. If the grantee receives another scholarship, research fund, or any other kinds of funding, the granter reserves the right to adjust the scholarship in accordance with the terms and conditions of this scholarship agreement.
7. If the grantee is unable to follow the conditions specified in this agreement, the granter reserves the right to terminate the scholarship in accordance with the terms and conditions of this scholarship agreement. The granter is authorized to revoke the scholarship should the grantee is found to behave inappropriately or to fail academically.
8. The grantee must be a full-time student, must strictly follow his/her study plan, and must maintain his/her student status until he/she finishes the study. Changing the field of study will result in the termination of the scholarship; the grantee however may continue his/her study by paying for his/her own expenses upon consideration of the accepting Faculty.
9. The grantee who is required to repeat a course/courses must do so by paying the tuition fees for the course/courses by himself/herself.
10. If the grantee is accepted into the study program as a conditionally accepted scholarship student because he/she has not yet submitted a qualified English proficiency test score as indicated in Naresuan University Graduate School's Announcement of English Language Proficiency Criteria for Graduate Students, the grantee must submit a qualified English score by the end of the first semester of his/her study as a scholarship student at Naresuan University in order to continue the study as a scholarship student.
11. The grantee who requests an extension for the study period can continue the study by paying for his/her own expenses. Any scholarship extension proposed to the university will not be considered. If the grantee is unable to complete the study within the timeline of the study plan, he/she will remain a student of Naresuan University and will be expected to complete the study within 5 years at a Master's degree level, which includes both the scholarship period and the extension period.
12. Should the grantee, who receives on-campus housing as part of their scholarship condition, decide to stay off-campus, all incurred expenses must be paid for by the grantee himself/herself. The grantee understands that the allocation of occupancy slots at on-campus accommodation are strictly observed and will not be re-arranged. The grantee also understands that he/she is not entitled to request a room at a university staff member dormitory; such a request will be rejected.
13. Should the grantee complete his/her study before the indicated length of study, the already deposited monthly stipend must be returned to the university as calculated based on the actual date of study completion.
14. If there is any dispute regarding the Contract, the decision of the President shall prevail.

Scholarship's terms and conditions

Naresuan University offers ONLY 1-2 scholarships for 2024 Thailand Scholarships. During the period of the scholarship, the grantee must strictly follow the scholarship's terms and conditions as follows:

1. The grantee needs to fulfill the publication requirement as follows:
 - For Study Plan A1: the grantee must publish at least 1 full paper in an international journal indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
 - For Study Plan A2: the grantee must publish at least 1 full paper in an international journal or proceedings of an international conference indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
2. The grantee must explicitly identify the granted scholarship from Naresuan University in the published study/studies and thesis presenting the grantee's work.
3. The grantee must act as a teaching assistant (TA) and/or research assistant (RA) as specified by the thesis advisor/assigned advisor.
4. The grantee must maintain a Cumulative Grade Point Average of ≥ 3.25 at the end of each academic year. For a research-based student, the academic advisor will submit an evaluation at the end of each semester. Failing to meet this requirement will result in a termination of the scholarship.
5. The grantee must pay attention to his/her study by following the guidance of his/her advisor. The grantee is required to complete the study without any willful abandonment of the scholarship.
6. If the grantee receives another scholarship, research fund, or any other kinds of funding, the granter reserves the right to adjust the scholarship in accordance with the terms and conditions of this scholarship agreement.
7. If the grantee is unable to follow the conditions specified in this agreement, the granter reserves the right to terminate the scholarship in accordance with the terms and conditions of this scholarship agreement. The granter is authorized to revoke the scholarship should the grantee is found to behave inappropriately or to fail academically.
8. The grantee must be a full-time student, must strictly follow his/her study plan, and must maintain his/her student status until he/she finishes the study. Changing the field of study will result in the termination of the scholarship; the grantee however may continue his/her study by paying for his/her own expenses upon consideration of the accepting Faculty.
9. The grantee who is required to repeat a course/courses must do so by paying the tuition fees for the course/courses by himself/herself.
10. If the grantee is accepted into the study program as a conditionally accepted scholarship student because he/she has not yet submitted a qualified English proficiency test score as indicated in Naresuan University Graduate School's Announcement of English Language Proficiency Criteria for Graduate Students, the grantee must submit a qualified English score by the end of the first semester of his/her study as a scholarship student at Naresuan University in order to continue the study as a scholarship student.
11. The grantee who requests an extension for the study period can continue the study by paying for his/her own expenses. Any scholarship extension proposed to the university will not be considered. If the grantee is unable to complete the study within the timeline of the study plan, he/she will remain a student of Naresuan University and will be expected to complete the study within 5 years at a Master's degree level, which includes both the scholarship period and the extension period.
12. Should the grantee, who receives on-campus housing as part of their scholarship condition, decide to stay off-campus, all incurred expenses must be paid for by the grantee himself/herself. The grantee understands that the allocation of occupancy slots at on-campus accommodation are strictly observed and will not be re-arranged. The grantee also understands that he/she is not entitled to request a room at a university staff member dormitory; such a request will be rejected.
13. Should the grantee complete his/her study before the indicated length of study, the already deposited monthly stipend must be returned to the university as calculated based on the actual date of study completion.
14. If there is any dispute regarding the Contract, the decision of the President shall prevail.

Types of Study Plan

1. **Plan A** is research-oriented. Students are required to complete a thesis by conducting research to build a body of knowledge in their fields of study. There are two sub-plans:

1) **Plan A 1** is a thesis-based plan equivalent to 36 credits.

2) **Plan A 2** is a thesis-based plan which includes both coursework and thesis. The thesis work should be at least 12 credits

2. **Plan B** is coursework-oriented. Students are not required to complete a thesis but are required to complete an independent study of at least 3 credits but no more than 6 credits.

However, the university may require additional credit and non-credit courses or other academic activities. Regardless, students must complete the program with outcomes as specified by the university.

Scholarship's terms and conditions

Naresuan University offers ONLY 1-2 scholarships for 2024 Thailand Scholarships. During the period of the scholarship, the grantee must strictly follow the scholarship's terms and conditions as follows:

- The grantee needs to fulfill the publication requirement as follows:
 - For Study Plan A1: the grantee must publish at least 1 full paper in an international journal indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
 - For Study Plan A2: the grantee must publish at least 1 full paper in an international journal or proceedings of an international conference indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
- The grantee must explicitly identify the granted scholarship from Naresuan University in the published study/studies and thesis presenting the grantee's work.
- The grantee must act as a teaching assistant (TA) and/or research assistant (RA) as specified by the thesis advisor/assigned advisor.
- The grantee must maintain a Cumulative Grade Point Average of ≥ 3.25 at the end of each academic year. For a research-based student, the academic advisor will submit an evaluation at the end of each semester. Failing to meet this requirement will result in a termination of the scholarship.

Scholarship's terms and conditions (Cont.)

5. The grantee must pay attention to his/her study by following the guidance of his/her advisor. The grantee is required to complete the study without any willful abandonment of the scholarship.
6. If the grantee receives another scholarship, research fund, or any other kinds of funding, the granter reserves the right to adjust the scholarship in accordance with the terms and conditions of this scholarship agreement.
7. If the grantee is unable to follow the conditions specified in this agreement, the granter reserves the right to terminate the scholarship in accordance with the terms and conditions of this scholarship agreement. The granter is authorized to revoke the scholarship should the grantee is found to behave inappropriately or to fail academically.
8. The grantee must be a full-time student, must strictly follow his/her study plan, and must maintain his/her student status until he/she finishes the study. Changing the field of study will result in the termination of the scholarship; the grantee however may continue his/her study by paying for his/her own expenses upon consideration of the accepting Faculty.
9. The grantee who is required to repeat a course/courses must do so by paying the tuition fees for the course/courses by himself/herself.
10. If the grantee is accepted into the study program as a conditionally accepted scholarship student because he/she has not yet submitted a qualified English proficiency test score as indicated in Naresuan University Graduate School's Announcement of English Language Proficiency Criteria for Graduate Students, the grantee must submit a qualified English score by the end of the first semester of his/her study as a scholarship student at Naresuan University in order to continue the study as a scholarship student.
11. The grantee who requests an extension for the study period can continue the study by paying for his/her own expenses. Any scholarship extension proposed to the university will not be considered. If the grantee is unable to complete the study within the timeline of the study plan, he/she will remain a student of Naresuan University and will be expected to complete the study within 5 years at a Master's degree level, which includes both the scholarship period and the extension period.
12. Should the grantee, who receives on-campus housing as part of their scholarship condition, decide to stay off-campus, all incurred expenses must be paid for by the grantee himself/herself. The grantee understands that the allocation of occupancy slots at on-campus accommodation are strictly observed and will not be re-arranged. The grantee also understands that he/she is not entitled to request a room at a university staff member dormitory; such a request will be rejected.
13. Should the grantee complete his/her study before the indicated length of study, the already deposited monthly stipend must be returned to the university as calculated based on the actual date of study completion.
14. If there is any dispute regarding the Contract, the decision of the President shall prevail.

Other required documents indicated by the study program (*Please see the details of each study program.)	

Types of Study Plan

1. **Plan A** is research-oriented. Students are required to complete a thesis by conducting research to build a body of knowledge in their fields of study. There are two sub-plans:

1) **Plan A 1** is a thesis-based plan equivalent to 36 credits.

2) **Plan A 2** is a thesis-based plan which includes both coursework and thesis. The thesis work should be at least 12 credits

2. **Plan B** is coursework-oriented. Students are not required to complete a thesis but are required to complete an independent study of at least 3 credits but no more than 6 credits.

However, the university may require additional credit and non-credit courses or other academic activities. Regardless, students must complete the program with outcomes as specified by the university.

Scholarship's terms and conditions

Naresuan University offers ONLY 1-2 scholarships for 2024 Thailand Scholarships. During the period of the scholarship, the grantee must strictly follow the scholarship's terms and conditions as follows:

1. The grantee needs to fulfill the publication requirement as follows:
 - For Study Plan A1: the grantee must publish at least 1 full paper in an international journal indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
 - For Study Plan A2: the grantee must publish at least 1 full paper in an international journal or proceedings of an international conference indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
2. The grantee must explicitly identify the granted scholarship from Naresuan University in the published study/studies and thesis presenting the grantee's work.
3. The grantee must act as a teaching assistant (TA) and/or research assistant (RA) as specified by the thesis advisor/assigned advisor.
4. The grantee must maintain a Cumulative Grade Point Average of ≥ 3.25 at the end of each academic year. For a research-based student, the academic advisor will submit an evaluation at the end of each semester. Failing to meet this requirement will result in a termination of the scholarship.
5. The grantee must pay attention to his/her study by following the guidance of his/her advisor. The grantee is required to complete the study without any willful abandonment of the scholarship.
6. If the grantee receives another scholarship, research fund, or any other kinds of funding, the granter reserves the right to adjust the scholarship in accordance with the terms and conditions of this scholarship agreement.
7. If the grantee is unable to follow the conditions specified in this agreement, the granter reserves the right to terminate the scholarship in accordance with the terms and conditions of this scholarship agreement. The granter is authorized to revoke the scholarship should the grantee is found to behave inappropriately or to fail academically.
8. The grantee must be a full-time student, must strictly follow his/her study plan, and must maintain his/her student status until he/she finishes the study. Changing the field of study will result in the termination of the scholarship; the grantee however may continue his/her study by paying for his/her own expenses upon consideration of the accepting Faculty.
9. The grantee who is required to repeat a course/courses must do so by paying the tuition fees for the course/courses by himself/herself.
10. If the grantee is accepted into the study program as a conditionally accepted scholarship student because he/she has not yet submitted a qualified English proficiency test score as indicated in Naresuan University Graduate School's Announcement of English Language Proficiency Criteria for Graduate Students, the grantee must submit a qualified English score by the end of the first semester of his/her study as a scholarship student at Naresuan University in order to continue the study as a scholarship student.
11. The grantee who requests an extension for the study period can continue the study by paying for his/her own expenses. Any scholarship extension proposed to the university will not be considered. If the grantee is unable to complete the study within the timeline of the study plan, he/she will remain a student of Naresuan University and will be expected to complete the study within 5 years at a Master's degree level, which includes both the scholarship period and the extension period.
12. Should the grantee, who receives on-campus housing as part of their scholarship condition, decide to stay off-campus, all incurred expenses must be paid for by the grantee himself/herself. The grantee understands that the allocation of occupancy slots at on-campus accommodation are strictly observed and will not be re-arranged. The grantee also understands that he/she is not entitled to request a room at a university staff member dormitory; such a request will be rejected.
13. Should the grantee complete his/her study before the indicated length of study, the already deposited monthly stipend must be returned to the university as calculated based on the actual date of study completion.
14. If there is any dispute regarding the Contract, the decision of the President shall prevail.

Types of Study Plan

1. **Plan A** is research-oriented. Students are required to complete a thesis by conducting research to build a body of knowledge in their fields of study. There are two sub-plans:

1) **Plan A 1** is a thesis-based plan equivalent to 36 credits.

2) **Plan A 2** is a thesis-based plan which includes both coursework and thesis. The thesis work should be at least 12 credits

2. **Plan B** is coursework-oriented. Students are not required to complete a thesis but are required to complete an independent study of at least 3 credits but no more than 6 credits.

However, the university may require additional credit and non-credit courses or other academic activities. Regardless, students must complete the program with outcomes as specified by the university.

Semester/Trimester start and end date	Start (dd/mm/yy in A.D.)	End (dd/mm/yy in A.D.)
[v] Semester/Trimester 1	Mid-June	Late October

Disclaimer: In case of travel restriction due to COVID-19, university may consider offering courses via an online platform or postponing the admission of scholarship recipient. The scholarship recipient must confirm with the course coordinator once the result is announced.

Scholarship's terms and conditions

Naresuan University offers ONLY 1-2 scholarships for 2024 Thailand Scholarships. During the period of the scholarship, the grantee must strictly follow the scholarship's terms and conditions as follows:

- The grantee needs to fulfill the publication requirement as follows:
 - For Study Plan A1: the grantee must publish at least 1 full paper in an international journal indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
 - For Study Plan A2: the grantee must publish at least 1 full paper in an international journal or proceedings of an international conference indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.

Scholarship's terms and conditions (Cont.)		
<ol style="list-style-type: none"> 2. The grantee must explicitly identify the granted scholarship from Naresuan University in the published study/studies and thesis presenting the grantee's work. 3. The grantee must act as a teaching assistant (TA) and/or research assistant (RA) as specified by the thesis advisor/assigned advisor. 4. The grantee must maintain a Cumulative Grade Point Average of ≥ 3.25 at the end of each academic year. For a research-based student, the academic advisor will submit an evaluation at the end of each semester. Failing to meet this requirement will result in a termination of the scholarship. 5. The grantee must pay attention to his/her study by following the guidance of his/her advisor. The grantee is required to complete the study without any willful abandonment of the scholarship. 6. If the grantee receives another scholarship, research fund, or any other kinds of funding, the granter reserves the right to adjust the scholarship in accordance with the terms and conditions of this scholarship agreement. 7. If the grantee is unable to follow the conditions specified in this agreement, the granter reserves the right to terminate the scholarship in accordance with the terms and conditions of this scholarship agreement. The granter is authorized to revoke the scholarship should the grantee is found to behave inappropriately or to fail academically. 8. The grantee must be a full-time student, must strictly follow his/her study plan, and must maintain his/her student status until he/she finishes the study. Changing the field of study will result in the termination of the scholarship; the grantee however may continue his/her study by paying for his/her own expenses upon consideration of the accepting Faculty. 9. The grantee who is required to repeat a course/courses must do so by paying the tuition fees for the course/courses by himself/herself. 10. If the grantee is accepted into the study program as a conditionally accepted scholarship student because he/she has not yet submitted a qualified English proficiency test score as indicated in Naresuan University Graduate School's Announcement of English Language Proficiency Criteria for Graduate Students, the grantee must submit a qualified English score by the end of the first semester of his/her study as a scholarship student at Naresuan University in order to continue the study as a scholarship student. 11. The grantee who requests an extension for the study period can continue the study by paying for his/her own expenses. Any scholarship extension proposed to the university will not be considered. If the grantee is unable to complete the study within the timeline of the study plan, he/she will remain a student of Naresuan University and will be expected to complete the study within 5 years at a Master's degree level, which includes both the scholarship period and the extension period. 12. Should the grantee, who receives on-campus housing as part of their scholarship condition, decide to stay off-campus, all incurred expenses must be paid for by the grantee himself/herself. The grantee understands that the allocation of occupancy slots at on-campus accommodation are strictly observed and will not be re-arranged. The grantee also understands that he/she is not entitled to request a room at a university staff member dormitory; such a request will be rejected. 13. Should the grantee complete his/her study before the indicated length of study, the already deposited monthly stipend must be returned to the university as calculated based on the actual date of study completion. 14. If there is any dispute regarding the Contract, the decision of the President shall prevail.

Scholarship's terms and conditions

Criteria for Eligible Applicants

1. Applicants need to be international students earning Bachelor's degree with honor and applying for Master's program, continuous Master's/Doctoral program, or Doctoral program.
2. International Applicants with Master's degree and GPAX of over than 3.5 from other education institutes applying for Scholarship of Doctoral program need to publish at least one international journal in the top position (Q1) or middle-high position (Q2) level of Scopus database.
3. Applicants need to have competent English language skill by taking English proficiency test and achieve at least minimum scores in response to SUT requirement.
4. Applicants need not be recipients of other scholarships elsewhere.

Amounts of Scholarship and Period of Scholarship Grant

- Applicants earning Scholarship shall be exempted from tuition fee, university support fee, and student activity support fee and shall gain monthly allowance with 10,000 Baht (ten thousand Baht only) throughout curriculum period starting from the official date of gaining SUT student status as follows:

1. For Recipients of Master's program, Scholarship shall be granted for 6 academic semesters.
2. For Recipients earning Master's degree within the period eligible to apply for further study in Doctoral program, Scholarship shall be granted for additional 9 academic semesters.
3. For Recipients of continuous Master's/Doctoral program, Scholarship shall be granted for 9 academic semesters.
4. For Recipients of continuous Bachelor's/Doctoral program, Scholarship shall be granted for 15 academic semesters.
6. Recipients changing academic degree from Master's to Doctoral degree shall be granted with Scholarship of no more than 15 academic semesters from the official date of gaining SUT student status.
7. Recipients dropping from classes shall be suspended from monthly allowance during the drop period.

Scholarship's terms and conditions (cont.)

Obligations of Scholarship Recipients

Recipients shall have obligations as follows:

1. Recipients earning Scholarship of Master's program need to have at least 72 workload teaching hours of laboratory classes per academic semester throughout the period of Scholarship grant in regards to this Announcement.
2. Recipients earning Scholarship of Doctoral program need to have at least 72 workload teaching hours of lecture or laboratory classes per academic semester throughout the period of Scholarship grant in regards to this Announcement.
3. Subjects to be taught by Recipients shall be determined by the institutes that Recipients enroll in and approval of the institute committee.
4. In the event recipients are not capable of performing work or have less duties than the settled plan, Recipients need to submit petitions to the institute committee to request for work alleviation or for performing other work in each academic semester instead. However, the workload teaching hours need to be at least 72 hours per academic semester.

Graduation Criteria

All Recipients in regards to this Announcement, both those with active and terminated Recipient status during request for graduation need to perform as follows:

1. Recipients of Master's program need to have at least one journal published at national level in either Group 1 or Group 2 of the TCI database or at international level of the Scopus database.
2. Recipients of Doctoral program need to have at least one journal published at international level in the top position (Q1) or middle-high position (Q2) levels of the Scopus database, and be the first author stated in the journal.

Other required documents indicated by the study program (*Please see the details of each study program.)	

Types of Study Plan

1. **Plan A** is research-oriented. Students are required to complete a thesis by conducting research to build a body of knowledge in their fields of study. There are two sub-plans:

- 1) **Plan A 1** is a thesis-based plan equivalent to 36 credits.
- 2) **Plan A 2** is a thesis-based plan which includes both coursework and thesis. The thesis work should be at least 12 credits

2. **Plan B** is coursework-oriented. Students are not required to complete a thesis but are required to complete an independent study of at least 3 credits but no more than 6 credits.

However, the university may require additional credit and non-credit courses or other academic activities. Regardless, students must complete the program with outcomes as specified by the university.

Semester/Trimester start and end date	Start (dd/mm/yy in A.D.)	End (dd/mm/yy in A.D.)

Disclaimer: In case of travel restriction due to COVID-19, university may consider offering courses via an online platform or postponing the admission of scholarship recipient. The scholarship recipient must confirm with the course coordinator once the result is announced.

Scholarship's terms and conditions

Naresuan University offers ONLY 1-2 scholarships for 2024 Thailand Scholarships. During the period of the scholarship, the grantee must strictly follow the scholarship's terms and conditions as follows:

1. The grantee needs to fulfill the publication requirement as follows:
 - For Study Plan A1: the grantee must publish at least 1 full paper in an international journal indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
 - For Study Plan A2: the grantee must publish at least 1 full paper in an international journal or proceedings of an international conference indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
2. The grantee must explicitly identify the granted scholarship from Naresuan University in the published study/studies and thesis presenting the grantee's work.
3. The grantee must act as a teaching assistant (TA) and/or research assistant (RA) as specified by the thesis advisor/assigned advisor.

Scholarship's terms and conditions (Cont.)

4. The grantee must maintain a Cumulative Grade Point Average of ≥ 3.25 at the end of each academic year. For a research-based student, the academic advisor will submit an evaluation at the end of each semester. Failing to meet this requirement will result in a termination of the scholarship.
5. The grantee must pay attention to his/her study by following the guidance of his/her advisor. The grantee is required to complete the study without any willful abandonment of the scholarship.
6. If the grantee receives another scholarship, research fund, or any other kinds of funding, the granter reserves the right to adjust the scholarship in accordance with the terms and conditions of this scholarship agreement.
7. If the grantee is unable to follow the conditions specified in this agreement, the granter reserves the right to terminate the scholarship in accordance with the terms and conditions of this scholarship agreement. The granter is authorized to revoke the scholarship should the grantee is found to behave inappropriately or to fail academically.
8. The grantee must be a full-time student, must strictly follow his/her study plan, and must maintain his/her student status until he/she finishes the study. Changing the field of study will result in the termination of the scholarship; the grantee however may continue his/her study by paying for his/her own expenses upon consideration of the accepting Faculty.
9. The grantee who is required to repeat a course/courses must do so by paying the tuition fees for the course/courses by himself/herself.
10. If the grantee is accepted into the study program as a conditionally accepted scholarship student because he/she has not yet submitted a qualified English proficiency test score as indicated in Naresuan University Graduate School's Announcement of English Language Proficiency Criteria for Graduate Students, the grantee must submit a qualified English score by the end of the first semester of his/her study as a scholarship student at Naresuan University in order to continue the study as a scholarship student.
11. The grantee who requests an extension for the study period can continue the study by paying for his/her own expenses. Any scholarship extension proposed to the university will not be considered. If the grantee is unable to complete the study within the timeline of the study plan, he/she will remain a student of Naresuan University and will be expected to complete the study within 5 years at a Master's degree level, which includes both the scholarship period and the extension period.
12. Should the grantee, who receives on-campus housing as part of their scholarship condition, decide to stay off-campus, all incurred expenses must be paid for by the grantee himself/herself. The grantee understands that the allocation of occupancy slots at on-campus accommodation are strictly observed and will not be re-arranged. The grantee also understands that he/she is not entitled to request a room at a university staff member dormitory; such a request will be rejected.
13. Should the grantee complete his/her study before the indicated length of study, the already deposited monthly stipend must be returned to the university as calculated based on the actual date of study completion.
14. If there is any dispute regarding the Contract, the decision of the President shall prevail.

Course information

Website: <https://www.computing.psu.ac.th/en/ms-computing/>

Goals of the program:

- 1) To develop knowledgeable and professional graduates in the fields of Data Science and Artificial Intelligence, Software Engineering and Media, and Computer Systems and Communication. The goal is that graduates can apply the body of knowledge to the career at an effective level.
- 2) To produce graduates with the ability to study, research, and develop new science, which will bring benefits for oneself and society.
- 3) To develop each graduate as a valuable human resource who can respond to the country's development policies while exhibiting integrity and ethics.

Types of Study Plan

1. Plan A is research-oriented. Students are required to complete a thesis by conducting research to build a body of knowledge in their fields of study. There are two sub-plans:

- 1) **Plan A 1** is a thesis-based plan equivalent to 36 credits.
- 2) **Plan A 2** is a thesis-based plan which includes both coursework and thesis. The thesis work should be at least 12 credits

2. Plan B is coursework-oriented. Students are not required to complete a thesis but are required to complete an independent study of at least 3 credits but no more than 6 credits.

However, the university may require additional credit and non-credit courses or other academic activities. Regardless, students must complete the program with outcomes as specified by the university.

Semester/Trimester start and end date	Start (dd/mm/yy in A.D.)	End (dd/mm/yy in A.D.)

<input type="checkbox"/> Trimester 3	Depending on study program	Depending on study program

Disclaimer: In case of travel restriction due to COVID-19, university may consider offering courses via an online platform or postponing the admission of scholarship recipient. The scholarship recipient must confirm with the course coordinator once the result is announced.

Scholarship's terms and conditions

Naresuan University offers ONLY 1-2 scholarships for 2024 Thailand Scholarships. During the period of the scholarship, the grantee must strictly follow the scholarship's terms and conditions as follows:

1. The grantee needs to fulfill the publication requirement as follows:
 - For Study Plan A1: the grantee must publish at least 1 full paper in an international journal indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
 - For Study Plan A2: the grantee must publish at least 1 full paper in an international journal or proceedings of an international conference indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.

Scholarship's terms and conditions (Cont.)

2. The grantee must explicitly identify the granted scholarship from Naresuan University in the published study/studies and thesis presenting the grantee's work.
3. The grantee must act as a teaching assistant (TA) and/or research assistant (RA) as specified by the thesis advisor/assigned advisor.
4. The grantee must maintain a Cumulative Grade Point Average of ≥ 3.25 at the end of each academic year. For a research-based student, the academic advisor will submit an evaluation at the end of each semester. Failing to meet this requirement will result in a termination of the scholarship.
5. The grantee must pay attention to his/her study by following the guidance of his/her advisor. The grantee is required to complete the study without any willful abandonment of the scholarship.
6. If the grantee receives another scholarship, research fund, or any other kinds of funding, the granter reserves the right to adjust the scholarship in accordance with the terms and conditions of this scholarship agreement.
7. If the grantee is unable to follow the conditions specified in this agreement, the granter reserves the right to terminate the scholarship in accordance with the terms and conditions of this scholarship agreement. The granter is authorized to revoke the scholarship should the grantee is found to behave inappropriately or to fail academically.
8. The grantee must be a full-time student, must strictly follow his/her study plan, and must maintain his/her student status until he/she finishes the study. Changing the field of study will result in the termination of the scholarship; the grantee however may continue his/her study by paying for his/her own expenses upon consideration of the accepting Faculty.
9. The grantee who is required to repeat a course/courses must do so by paying the tuition fees for the course/courses by himself/herself.
10. If the grantee is accepted into the study program as a conditionally accepted scholarship student because he/she has not yet submitted a qualified English proficiency test score as indicated in Naresuan University Graduate School's Announcement of English Language Proficiency Criteria for Graduate Students, the grantee must submit a qualified English score by the end of the first semester of his/her study as a scholarship student at Naresuan University in order to continue the study as a scholarship student.
11. The grantee who requests an extension for the study period can continue the study by paying for his/her own expenses. Any scholarship extension proposed to the university will not be considered. If the grantee is unable to complete the study within the timeline of the study plan, he/she will remain a student of Naresuan University and will be expected to complete the study within 5 years at a Master's degree level, which includes both the scholarship period and the extension period.
12. Should the grantee, who receives on-campus housing as part of their scholarship condition, decide to stay off-campus, all incurred expenses must be paid for by the grantee himself/herself. The grantee understands that the allocation of occupancy slots at on-campus accommodation are strictly observed and will not be re-arranged. The grantee also understands that he/she is not entitled to request a room at a university staff member dormitory; such a request will be rejected.
13. Should the grantee complete his/her study before the indicated length of study, the already deposited monthly stipend must be returned to the university as calculated based on the actual date of study completion.
14. If there is any dispute regarding the Contract, the decision of the President shall prevail.

Disclaimer: In case of travel restriction due to COVID-19, university may consider offering courses via an online platform or postponing the admission of scholarship recipient. The scholarship recipient must confirm with the course coordinator once the result is announced.

Scholarship's terms and conditions

Naresuan University offers ONLY 1-2 scholarships for 2024 Thailand Scholarships. During the period of the scholarship, the grantee must strictly follow the scholarship's terms and conditions as follows:

1. The grantee needs to fulfill the publication requirement as follows:
 - For Study Plan A1: the grantee must publish at least 1 full paper in an international journal indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
 - For Study Plan A2: the grantee must publish at least 1 full paper in an international journal or proceedings of an international conference indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
2. The grantee must explicitly identify the granted scholarship from Naresuan University in the published study/studies and thesis presenting the grantee's work.
3. The grantee must act as a teaching assistant (TA) and/or research assistant (RA) as specified by the thesis advisor/assigned advisor.
4. The grantee must maintain a Cumulative Grade Point Average of ≥ 3.25 at the end of each academic year. For a research-based student, the academic advisor will submit an evaluation at the end of each semester. Failing to meet this requirement will result in a termination of the scholarship.

Scholarship's terms and conditions (Cont.)

5. The grantee must pay attention to his/her study by following the guidance of his/her advisor. The grantee is required to complete the study without any willful abandonment of the scholarship.
6. If the grantee receives another scholarship, research fund, or any other kinds of funding, the granter reserves the right to adjust the scholarship in accordance with the terms and conditions of this scholarship agreement.
7. If the grantee is unable to follow the conditions specified in this agreement, the granter reserves the right to terminate the scholarship in accordance with the terms and conditions of this scholarship agreement. The granter is authorized to revoke the scholarship should the grantee is found to behave inappropriately or to fail academically.
8. The grantee must be a full-time student, must strictly follow his/her study plan, and must maintain his/her student status until he/she finishes the study. Changing the field of study will result in the termination of the scholarship; the grantee however may continue his/her study by paying for his/her own expenses upon consideration of the accepting Faculty.
9. The grantee who is required to repeat a course/courses must do so by paying the tuition fees for the course/courses by himself/herself.
10. If the grantee is accepted into the study program as a conditionally accepted scholarship student because he/she has not yet submitted a qualified English proficiency test score as indicated in Naresuan University Graduate School's Announcement of English Language Proficiency Criteria for Graduate Students, the grantee must submit a qualified English score by the end of the first semester of his/her study as a scholarship student at Naresuan University in order to continue the study as a scholarship student.
11. The grantee who requests an extension for the study period can continue the study by paying for his/her own expenses. Any scholarship extension proposed to the university will not be considered. If the grantee is unable to complete the study within the timeline of the study plan, he/she will remain a student of Naresuan University and will be expected to complete the study within 5 years at a Master's degree level, which includes both the scholarship period and the extension period.
12. Should the grantee, who receives on-campus housing as part of their scholarship condition, decide to stay off-campus, all incurred expenses must be paid for by the grantee himself/herself. The grantee understands that the allocation of occupancy slots at on-campus accommodation are strictly observed and will not be re-arranged. The grantee also understands that he/she is not entitled to request a room at a university staff member dormitory; such a request will be rejected.
13. Should the grantee complete his/her study before the indicated length of study, the already deposited monthly stipend must be returned to the university as calculated based on the actual date of study completion.
14. If there is any dispute regarding the Contract, the decision of the President shall prevail.

Types of Study Plan

1. Plan A is research-oriented. Students are required to complete a thesis by conducting research to build a body of knowledge in their fields of study. There are two sub-plans:

1) **Plan A 1** is a thesis-based plan equivalent to 36 credits.

2) **Plan A 2** is a thesis-based plan which includes both coursework and thesis. The thesis work should be at least 12 cred

2. Plan B is coursework-oriented. Students are not required to complete a thesis but are required to complete an independent study of at least 3 credits but no more than 6 credits.

However, the university may require additional credit and non-credit courses or other academic activities. Regardless, students must complete the program with outcomes as specified by the university.

Scholarship's terms and conditions

Naresuan University offers ONLY 1-2 scholarships for 2024 Thailand Scholarships. During the period of the scholarship, the grantee must strictly follow the scholarship's terms and conditions as follows:

1. The grantee needs to fulfill the publication requirement as follows:
 - For Study Plan A1: the grantee must publish at least 1 full paper in an international journal indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.
 - For Study Plan A2: the grantee must publish at least 1 full paper in an international journal or proceedings of an international conference indexed in the database of ISI Web of Science or the SCOPUS Journal List. Other details of the publications must follow related regulations of Naresuan University Graduate School.

Scholarship's terms and conditions (Cont.)

2. The grantee must explicitly identify the granted scholarship from Naresuan University in the published study/studies and thesis presenting the grantee's work.
3. The grantee must act as a teaching assistant (TA) and/or research assistant (RA) as specified by the thesis advisor/assigned advisor.
4. The grantee must maintain a Cumulative Grade Point Average of ≥ 3.25 at the end of each academic year. For a research-based student, the academic advisor will submit an evaluation at the end of each semester. Failing to meet this requirement will result in a termination of the scholarship.
5. The grantee must pay attention to his/her study by following the guidance of his/her advisor. The grantee is required to complete the study without any willful abandonment of the scholarship.
6. If the grantee receives another scholarship, research fund, or any other kinds of funding, the granter reserves the right to adjust the scholarship in accordance with the terms and conditions of this scholarship agreement.
7. If the grantee is unable to follow the conditions specified in this agreement, the granter reserves the right to terminate the scholarship in accordance with the terms and conditions of this scholarship agreement. The granter is authorized to revoke the scholarship should the grantee is found to behave inappropriately or to fail academically.
8. The grantee must be a full-time student, must strictly follow his/her study plan, and must maintain his/her student status until he/she finishes the study. Changing the field of study will result in the termination of the scholarship; the grantee however may continue his/her study by paying for his/her own expenses upon consideration of the accepting Faculty.
9. The grantee who is required to repeat a course/courses must do so by paying the tuition fees for the course/courses by himself/herself.
10. If the grantee is accepted into the study program as a conditionally accepted scholarship student because he/she has not yet submitted a qualified English proficiency test score as indicated in Naresuan University Graduate School's Announcement of English Language Proficiency Criteria for Graduate Students, the grantee must submit a qualified English score by the end of the first semester of his/her study as a scholarship student at Naresuan University in order to continue the study as a scholarship student.
11. The grantee who requests an extension for the study period can continue the study by paying for his/her own expenses. Any scholarship extension proposed to the university will not be considered. If the grantee is unable to complete the study within the timeline of the study plan, he/she will remain a student of Naresuan University and will be expected to complete the study within 5 years at a Master's degree level, which includes both the scholarship period and the extension period.
12. Should the grantee, who receives on-campus housing as part of their scholarship condition, decide to stay off-campus, all incurred expenses must be paid for by the grantee himself/herself. The grantee understands that the allocation of occupancy slots at on-campus accommodation are strictly observed and will not be re-arranged. The grantee also understands that he/she is not entitled to request a room at a university staff member dormitory; such a request will be rejected.
13. Should the grantee complete his/her study before the indicated length of study, the already deposited monthly stipend must be returned to the university as calculated based on the actual date of study completion.
14. If there is any dispute regarding the Contract, the decision of the President shall prevail.
