Subject: Scholarships for Excellent Foreign Students

Attn: Ambassador Extraordinary and Plenipotentiary

Greetings from Sirindhorn International Institute of Technology (SIIT), Thammasat University, Thailand. SIIT, founded in 1992, is a leading international institute in both study and research. We have been producing highly qualified graduates in the fields of Engineering and Management who are competent at work and have good communication skills. All the courses are conducted in English by professors with doctoral degrees. SIIT is part of Thammasat University which is one of the top universities in Thailand and also a partner of more than 85 top universities worldwide. Please see more information about SIIT from www.siiit.tu.ac.th.

We would like to introduce our Undergraduate Scholarship Program for Excellent Foreign Students (EFS-U) and Graduate Scholarship Program for Excellent Foreign Students (EFS). Each year we offer 12 and 40 scholarships respectively. We have also attached the details of these scholarships for your reference. We would very much appreciate it if you could forward this information to the educational institutions in your network, and promote these scholarships to students from both local and international schools in your country.

If you have further questions, please do not hesitate to contact Mr. Patsakorn Puangpaiboon, e-mail: admission@siit.tu.ac.th. We are looking forward to welcoming students from your country to study at SIIT.

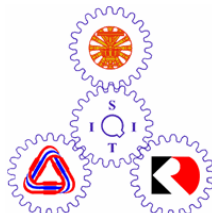

Thank you very much in advance for your kind support.

Yours sincerely,

Professor Dr. Pruettha Nanakorn

Director of SIIT

Coordinator: Patsakorn Puangpaiboon (Mr.)
Admission and Public Relations Division

Graduate Scholarship Program for Excellent Foreign Students (EFS)
Sirindhorn International Institute of Technology, Thammasat University

Scholarships by Sirindhorn Technology Scholarship Fund are available for excellent students from reputable universities of any foreign country to study in a master's or a doctoral degree program at Sirindhorn International Institute of Technology (SIIT), Thammasat University, Thailand. The scholarships are made available for the following research interest:

- * Biochemical Engineering/ Biochemistry
- * Chemical Engineering/ Chemistry
- * Civil Engineering
- * Computer Engineering/ Science
- * Electrical Engineering
- * Energy Technology/ Management
- * Engineering Management
- * Artificial Intelligence and Internet of Things
- * Environmental Engineering/ Science/ Technology/ Management
- * Industrial Engineering and Logistics Systems
- * Digital Engineering
- * Logistics and Supply Chain Systems Engineering
- * Management Technology
- * Materials Engineering/ Science/ Technology
- * Mechanical Engineering

Number of Scholarships: 40 Continuing Scholarships

For prospective students in the academic semester 1/2023 (August, 2023)

- Master's degree (2-year curriculum)
- Doctoral degree (3-year curriculum)

Scholarship Coverage:

1. Full SIIT tuition and educational support fees (full thesis support), **excluding:**
 - * **TU Matriculation Fee (600 baht)**
 - * **TU Educational Support Fees (800 baht [IT Service by TU] + 55 baht [Group Insurance Fee] per semester)**
 2. Living allowance of 10,000 baht per month
 3. Round trip economy travel expenses, the most direct route to and from Thailand and the recipient's home country (actual expense, maximum 20,000 baht/student)
 4. Miscellaneous expenses such as visa fees, airport taxes, etc. (actual expenses, but not over 10,000 baht)
