Thailand launched the “Online Application for Visa on Arrival” (VOA)

The Royal Thai Government launched the “Online Application for Visa on Arrival” (VOA) service to facilitate passport holders that are eligible to apply for visas at the immigration checkpoints on arrival for the purpose of tourism. Only passengers arriving in Thailand via Suvarnabhumi Airport can apply for the Visa on Arrival online prior to arrival in Thailand. The online application can be made at <http://www.immigration.go.th> Online Application for Visa on Arrival. General information as attached.
