**Jana District is ready to be a Model Industrial City for the Future**  
**(18 June 2019)**

On 7 May 2019, the cabinet approved the development of Jana District in Songkhla Province as the fourth model city, under the project called “Triangle of Security, Prosperity, and Sustainability”, after recently approving a similar development scheme in Nongchik District, Pattani Province, Su-Ngai Kolok District, Narathiwat Province, and Betong District, Yala Province.

Mr. Aise Samalate, Headman of Bhanna Sub-District, views that this development project has the potential to stimulate the local economy, and to improve the local people’s quality of life. At the same time, he also highlighted the importance of providing a clear understanding of the project to the local people, so that they may fully benefit from this upcoming model city.
