

You are going to listen to an interview with a man who is investigating how height is affected by what we eat. First you will have one minute to study the task below, then you will hear the recording twice. While listening, match the beginnings of the sentences (1-9) with the sentence endings (A–K). There are two sentence endings that you should not use. Mark your answers on the answer sheet. The first one (0) has been done for you.

After the second listening, you will have one minute to check your answers.
