2022

20-23 Royal Paragon Hall 5th floor (10.00 - 20.00) Siam Paragon

To demonstrate efficiency and strengthen public confidence by sharing success stories of Thai medical and public health systems, especially the current government's fight against the coronavirus disease (COVID-19) pandemic.

To build close cooperation with public health stakeholders from both the public and private sectors in order to drive the economy and increase people's quality of life.

Objectives of the Event

To reinforce Thailand's global public health management under the administration of the Ministry of Public Health and the Royal Thai Government.

To organize exhibitions, conferences and trade shows that will be beneficial to the public and medical personnel

To ensure the preparedness of Thailand in accepting foreign businessmen under the coronavirus disease (COVID-19) outbreak.
