

Northwest University Master Degree Program Catalogue

| | |
|------------------------------------|---|
| School of Public Administration | Public Economics Theory of Politics Applied Psychology administrative management; Education Economy and Management Social Security Library Science Archives |
| School of Economics and Management | Political Economy History of Economic Thought Western Economics World Economics Population, Resources and Environmental Economics National Economics Regional Economics Public Finance Finance Industrial Economics International Trade Quantitative Economics Management Science and Engineering Accounting Enterprise Management Tourism Management Technology Economics and Management |
| School of Arts | Theory of Arts Fine Arts Industrial Design Engineering |

| | |
|---|---|
| School of Letters | <p style="text-align: center;">Aesthetics Science of Religion Literature and Art Linguistics and Applied Linguistics Chinese Language Study of Chinese Classical Texts Ancient Chinese Literature Modern and Contemporary Chinese Literature Comparative Literature and world Literature Movie, Theatre and TV Literature Teaching Chinese to Students of Other Languages Radio and Television</p> |
| School of Law | <p style="text-align: center;">Constitutional Law and Administrative Law Civil Law and Commercial Law Economic Law International Law</p> |
| School of Journalism and Mass Communication | <p style="text-align: center;">Journalism Communication</p> |
| School of Foreign Languages | <p style="text-align: center;">English Literature Japanese Literature Linguistics and Applied Linguistics</p> |
| School of History | <p style="text-align: center;">Science of Religion Chinese History World History</p> |
| School of Cultural Heritage | <p style="text-align: center;">Study of Chinese Archaeology Study of Cultural Heritage Management Cultural Relics Preservation</p> |
| School of Philosophy and Sociology | <p style="text-align: center;">Marxist Philosophy Chinese Philosophy Ethics Sociology Basic Principles of Marxism Marxist Study with Chinese Characteristics Ideological and Political Education Chinese History Social Work</p> |
| Institute of Silk Road Studies | <p style="text-align: center;">Chinese History</p> |

| | |
|---|--|
| The Institute of Middle Eastern Studies | International Relations World History |
| Institute of Chinese Thoughts and Culture | Chinese Philosophy Science of Religion Chinese History |
| Mathematics | Basic Mathematics Computational Mathematics Statistics Applied Mathematics History of Scientific Technology |
| Institute of Modern Physics | Theoretical Physics Condensed Matter Physics Optics Optical Engineering |
| College of Chemistry & Materials Science | Inorganic Chemistry Analytical Chemistry Organic Chemistry Physical Chemistry Polymer Chemistry and Physics Chemical Biology Materials Chemistry Material Engineering |
| Institute of Analytical Science | Analytical Chemistry |
| School of Chemical Engineering | Chemical Process Machinery Chemical Engineering Chemical Technology Biochemical Engineering Applied Chemistry Industrial Catalysis Energy Chemical Engineering Pharmaceutical Engineering Food Science |
| School of Urban and Environmental Science | Regional Economics Physical Geography Human Geography Cartography and Geography Information System Environmental Science Environmental Engineering Urban and Rural Planning and Design |

| | |
|---|---|
| <p>School of Life Sciences</p> | <p>Botany Zooology Microbiology Neurobiology Genetics Developmental Biology Cell Biology Biochemistry and Molecular Biology Biological resources chemistry and Utilization Ecology Chinese Materia Medica Medicinal Chemistry Biological Engineering of Chinese Materia Medica</p> |
| <p>School of Information Science and Technology</p> | <p>Radio Physics Physical Electronics Electric Circuits and System Microelectronics and Solid Electronics Communication and Information Systems Signals and Information Processing Computer Systems Organization Computer Applied Technology Information Security Software Engineering Electronics and Communication Engineering Integrated Circuit Engineering Computer Technology</p> |
| <p>Contemporary Educational Tech. Center</p> | <p>Education Technology</p> |
| <p>Department of Geology</p> | <p>Solid Geophysics Mineralogy, Petrology, Mineral Deposit Geology Geochemistry Paleontology and Stratigraphy Structural Geology Quaternary Geology Geobiology Energy Geology Mineral Survey and Prospecting Earth Survey and Information Technology Geological Engineering Development of Petroleum and Gas Field Engineering Oil and Gas Engineering</p> |

| | |
