

ROYAL THAI CONSULATE-GENERAL, XI'AN
ANNOUNCEMENT NO. 3/2561
Services of the Consulate-General from 10 February 2020

Due to the latest situation of the outbreak of pneumonia caused by the novel Coronavirus (nCoV), the Center for Disease Control and Prevention of Qujiang New District has announced the “Notice on the Implementation of the 10 Measures for Epidemic Control and Prevention” dated 6 February 2020, requesting fully cooperation from all sectors regarding the fight against the spread of the nCov through the strict control of resumption of operations other than the authorities relating to disease control and prevention, the gathering of people in public areas, and the entry-exit in the residential communities.

The Royal Thai Consulate-General in Xi'an wishes to inform the public that in order to comply with efforts of local authorities to address the situation, the Consulate-General will suspend visa and legalization services from 10 February 2020 onwards. The resumption of services will be further notice.

The Consulate-General will continue other services, including consular assistance for Thai nationals. For emergency cases, please contact the Consulate-General at +86 182 0292 1281 (Thai) and +86 186 9189 6179 (English and Chinese).
